## Carpenters, SIBA in Tentative Agreement

Striking members of the two large Southern Illinois Carpenters councils who have tied up many millions in construction work for nearly two weeks returned to their jobs today following announcement of a tentative contract agreement between the unions and the Southern Illinois Builders Association at midnight last night.

Work resumed immediately on the St. Elizabeth Hospital addition and on a construction project at A. O. Smith Corp., which were among major work interrupted when the carpenters went on strike Sept. 17.

The tentative agreement apparently ends a three-day work stoppage in the building trades growing out of disputes over a new contract terms in the negotiating process.

Working agreements between the SIBA and five major trades unions. Their old contracts expired at midnight July 31.

Members Must Approve Union and SIBA officials said today that the new agreement is subject to ratification of the membership of the two councils — the Carpenters District Council of Madison County and the Tri-Counties Illinois District of Carpenters — which have a combined membership of about 3000 in 12 southern Illinois counties, including Madison and St. Clair.

Richard Meile, business representative of the Tri-Counties Council, said the proposed agreement provides a wage increase of \$3.25 per hour spread over a three-year contract plus improvements in a number of working conditions which were not disclosed.

Meile said ratification meetings by both carpenters' councils probably will be arranged this week since the proposed contract, if accepted by the unions, also must be ratified by SIBA members before it becomes effective. All contract terms are retroactive to Sept. 1.

Had Continued Working The carpenters went on strike and began picketing the new contract by SIBA contractors on Sept. 17, following a week the acceptance of a new working agreement with SIBA by both the Ironworkers and Cement Masons Unions. Until that time, the carpenters had continued working on all jobs which were not picketed by striking ironworkers and cement finishers. Those two unions went on strike Aug. 4.

The strike by the ironworkers and cement finishers tied up an estimated \$1 billion in construction work.

## Thousands Jam United Fun Fair

Thousands of Quad-Cityans swarmed the United Fun Fair at the Wilson Park rink-pavilion Saturday and Sunday, enjoying the variety of booths with games and prizes, carnival rides and joined in the theme of "Fun for Everyone."

The first such event of its kind sponsored by the United Fun Fair was termed a success, netting over \$200 with a tentative contract, according to Leo Konzen, campaign chairman. Konzen commented, "I would like to extend my gratitude to all the organizations who have helped in making this fair a success, as they realized no profits from their labors."

Howard Kaseberg, Fun Fair chairman, and Howard C. Conquist, special entertainment chairman, will announce the "best of booths" winners later this week. The booths were judged in two categories—Agency booths for the method in which the booth was set up, appearance and the non-agency booths for appearance, appeal, ticket sales and originality.

All proceeds of the fair will go directly to the United Fund and its 19 participating agencies.

## W. Pontoon Road At Route 3 to Close Wednesday

(Pictures of Page 12)

Closing of West Pontoon road at Route 3, originally scheduled for tomorrow, has been postponed until Wednesday because of Saturday's rainfall, highway engineers reported today.

Pontoon road will be closed at its intersection with Route 3 to permit construction of the Route 3 connection with FA Route 151 (The Great River Road), a job that is expected to take about four weeks.

Northbound and southbound traffic on Route 3 will be detoured over the north section of the River Road and return to Route 3 about one half mile north of Pontoon road. The closure will eliminate access to the River Road while the construction work is under way. Engineers said street or downtown streets or the 1270 overpass at Mitchell.

Motorists using West Pontoon road to reach the O. Smith plant or to travel on Route 3 to the Wood River-Alton area will find it necessary to use 25th street or downtown streets or the 1270 overpass at Mitchell.

Beginning of construction work was planned for tomorrow, but rain last Saturday morning delayed completion of shoulder work necessary for the detour roadway connecting with Highway 151.

All paving work on the traffic lanes of the Great River Road has been completed from a point north of Pontoon road to Niedringhaus avenue in Granite City. But only the north section will be used for the detour. No traffic on Route 151 south of Pontoon road will be permitted.

## Madison School Tax Levy Up \$35,834

\$830,128 Levy Set; Budget of \$2,328,314 Adopted, Add \$13,850

The Madison board of education adopted a budget totaling \$2,328,314, an increase of \$13,850 over the tentative budget approved last month, and set the tax levy at \$830,128, an increase of \$35,834 over last year, following a public hearing Thursday night.

The estimated new school tax rate is \$2.17 per \$100 assessed valuation, compared to \$2.02 last year. The precise rate will take into account assessment changes.

Included in the new levy is \$126,000 for the education fund, \$126,000 for the building fund, \$55,500 for the municipal retirement fund, \$20,000 for the transportation fund, \$40,000 for the junior college fund and \$85,628 for the bond and interest fund.

The new budget is \$272,200 more than last year.

It includes \$2,000,717 for the education fund, \$32,200 for the municipal retirement fund, \$27,200 for the transportation fund, \$138,357 for the bond and interest fund and \$131,800 for the building fund.

Budget Changes The changes from the tentative budget, included a \$6000 increase in the school lunch fund from \$95,000 to \$101,000, an \$8500 increase for custodian salaries in the building fund from \$133,300 to \$141,800, an increase of \$1000 for pensions for vocational teachers, and an \$850 administrative increase to cover salaries and travel, from \$91,950 to \$92,800.

A total of \$21,500 was deleted from the building fund, as that amount in custodian salaries was transferred from operation.

## Third Default Due on Bridge Bond Interest

The City of Venice this week will make its third consecutive default in payment of interest due on McKinley bridge "B" bonds, it was reported today as the bridge administration neared the end of its 1968-69 fiscal year with further drops in traffic and revenue.

Henry McMullen, bridge manager, said the bridge administration will be unable to pay the \$110,000 in "B" bond interest due Wednesday, the first day of the new fiscal year. The bridge fiscal extends from Oct. 1 to Sept. 30.

It will be the third time without in the past year that the city, which operates the bridge, has been unable to meet the "B" bond interest.

McMullen said there is a slight chance that after the bridge books are closed for the 1968-69 year, there may be an \$115,000 to \$200,000 that can be applied to the "B" bond debt. Even if this is possible, however, the city still will be faced with a total interest default of about \$270,000 on its "B" bonds.

"A" Bonds Paid Bridge officials pointed out that all "A" bond payments are being met and there is no danger to the "A" bond principal or interest fund. The Oct. 1 payment of \$157,000 due on "A" bonds will be met Wednesday.

The first default in "B" bond interest payments occurred on Oct. 1 last year when the city was unable to meet any part of that obligation. The city owes "B" bond interest of \$200,000 per year on \$11 millions in outstanding bonds. The interest is payable semi-annually, \$110,000 on Oct. 1 and a like amount on April 1.

In April this year, the city defaulted in the second \$110,000 interest payment, bringing the total debt to \$270,000. A partial payment of \$42,000 was available, however, and this was paid to coupon holders on the original Oct. 1 default at the rate of \$3.89 per \$10 coupon.

The partial payment reduced the outstanding interest debt to about \$178,000 which will increase again this week to \$265,000 with the third default of \$110,000. The total of the obligation will depend, McMullen noted, on how much, if any, partial payment can be made.

As of the beginning of the new fiscal year on Wednesday, the bridge administration will have \$9,596,000 in "A" bonds still outstanding, and \$11 millions in "B" bonds outstanding.

The original "A" bond issue amounted to \$11,970,000, which with the "B" bond issue comprised a total bond obligation of \$22,970,000 with which the city of Venice purchased the bridge in 1959.

No principal payments are to be made on "B" bonds until all "A" bonds are retired. The present payment schedule calls for "A" bond retirement in 1988.

Financial problems in bridge financing, results from a decreasing traffic load over the past three years due to construction of the Interstate 270 Chain of Rocks bridge north of McKinley bridge and the Poplar street bridge in East St. Louis south of Venice.

McMullen said that while revenue for the fiscal year just ended will be about \$30,000 off from that of last year, the bridge income obviously has been helped by higher toll rates started last year.

While total figures for the full year will not be computed until later this week, he said records show that traffic will be down from last year by about 18.5% while revenue will be down about 3%.

WRECKED AUTO which struck a tree on August street early Saturday and caused the death of James Elmore, 37, a passenger.

## Truck Driver Robbed of \$1000; 5 Homes Entered

The armed robbery of a truck driver from whom a bandit took \$1000 in cash and several hundred dollars worth of loot marked a series of crimes in the Quad-City area during the weekend. Five house burglaries and six thefts from parked autos also were reported.

Robert R. Powell, a truck driver from Boise, Ida., was robbed of \$1000 and other items as he was sleeping in the cab of the truck parked on Hildebrand street, Cloverleaf, he reported to the Madison county sheriff's office at 8:15 a.m. Saturday.

Powell said someone awakened him, shined a flashlight in his face and held a gun on him. Taken were eight \$100 bills, \$200 in miscellaneous bills, a .357-caliber revolver, a 10-inch portable television set, a camera, prescription sun glasses, two wrist watches, an electric razor, his wallet containing his driver's license and papers, and his truck log containing his truck permits.

Robert Dagon, 2332 Miracle avenue, reported to county authorities Saturday afternoon that burglars had forced open the rear door of his home and had taken two shotguns, an electric coffee maker and a bicycle.

Mrs. Clarence Williams reported to the sheriff's office Saturday afternoon that a glass in the rear door at her home had been broken and the house entered. It was not determined if anything was taken, as the family was in the process of moving into the house.

Ophie Tift, 1739 Delmar avenue, reported at 12:45 a.m. Friday that while she was downstairs she heard someone walking in her upstairs apartment. She opened the door in time to see a man walk out of the building. Entry was gained by opening a rear window. Nothing was reported missing.

## Five Building Permits List Values of \$3578

Five building permits issued for new construction in Granite City last week listed values totaling \$3578. So far this month, 44 permits show values of \$200,902.

The permits were issued to Elmer Humphrey, 1808 Ferguson avenue, to build a porch, \$500; Donald West, 2449 Grand avenue, install aluminum siding, \$1600; Gilbert Sykes, 3012 Boston avenue, rebuild porch, \$1000; Fred Schmid, 1716 Bremen avenue, a garage, \$978; and Donald Anderson, 2528 Dogwood drive, a carport, \$400.

In addition, Granite City Steel Co. obtained permits to raise two four-room structures at 2015 and 2017 Park avenue.

## GC Man Killed, 12 Others Hurt In 31 Accidents

A Granite City man was killed in a car that crashed and burned and 12 other persons were injured in weekend traffic accidents in the Quad-City area. A total of 31 mishaps was reported to area authorities.

James Elmore, 37, of 3047 Washington avenue, suffered fatal injuries when an auto in which he was a passenger struck a tree at 1829 August street at 1:25 a.m. Saturday. He was pronounced dead on arrival at St. Elizabeth Hospital.

Driver of the auto, Randall Witter, 21, of 2716 Saratoga avenue, was admitted to the hospital with a cut under the right eye, requiring 11 stitches and abrasions to the knees and chest.

Police said the 1964 model auto apparently was going too fast and went out of control. It was demolished.

The auto caught fire, and Patrolman Robert Astorian, the first officer on the scene, was commended for his actions. Sgt. Mike DeVine reported that Astorian put the fire out and had both men out of the car before the ambulance or fire truck arrived.

"Had it not been for his actions both persons would have probably burned up in the car," Sgt. DeVine said.

The driver was still in the front seat but Mr. Elmore was thrown onto the back seat behind the driver. He suffered fractures of the skull and both legs and internal injuries. An inquest is pending.

Mr. Elmore, a Granite City Steel Co. employee, was a native of Granite City. He was a member of the Dewey Avenue Methodist Church.

Survivors include his wife, Mrs. Mary Elmore; three sons, James Lee Elmore Jr., 14, David Lynn Elmore, 12, and Timothy Allen Elmore, 8; a daughter, Deborah Allison Elmore, 11; his mother, Mrs. Emma Elmore of Granite City; and three sisters, Mrs. Evelyn Lucille Thompson and Mrs. Mildred Sherman, both of Granite City, and Mrs. Ruth Bauer of Duncedin Beach, Fla.

Funeral arrangements are given in today's obituary column.

Two persons were injured when auto driven by Michael Jones, 3217 E. Grand drive, and Fred E. Shelton, 17, of 2435 Edison avenue, collided at 11:35 p.m. Friday at Johnson and Madison roads. The Elmore auto was shoved into a sign. Gaoch was charged with a stop light violation.

Admitted to St. Elizabeth Hospital were Shelton and Fred E. Shelton, 15, of 2329 Missouri avenue, a passenger in the Gaoch auto.

The girl suffered pains and swelling of the right ankle. Shelton had abrasions to the chin, head and left shoulder.

Euther Tidwell, 51, of Rural Route 1, and Dallas Shermwell, 67, of 3036 Namecki drive, were admitted to St. Elizabeth Hospital. (Continued on page 5, col. 5)

## 10 Quad-Cityans Drafted Friday

Ten Quad-City area youths reported Friday morning to the county selective service office in Edwardsville for armed forces induction.

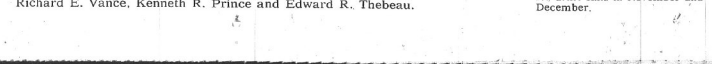

In the group were Richard E. Vance, Edward R. Thebeau, Paul J. Mills, Daniel W. Stewart, William L. Gibson, Gary E. Kuehn, Randall L. Bonds, Kenneth R. Prince and Melvin D. Law, all of Granite City; and Robert Branch Jr. of Madison.

They were given ditty bags by the Tri-City Chapter, American Red Cross, and Mrs. Mildred Fehling and Mrs. Hulda Davis of the Red Cross chapter served coffee and doughnuts.

In addition to those drafted, a group of 38 Quad-Cityans reported Friday for pre-induction physical examinations.

Next month's draft quota of 42 local youths has been reduced to 14 for Oct. 10 under federal orders, with no instructions for draft calls in November and December.

### Ketc Gardening Hints Series Starts Oct. 10

Theresa Cruso, called the "delightful flower lady of television," will appear on Ketc, Channel Nine's 13-week telecourse, "Making Things Grow," beginning Friday, Oct. 10. Members of the educational channel may enroll in the course free of charge, with enrollees receiving an illustrated viewer guide written by Miss Cruso.

In the sessions, to be telecast each Friday at 9 p.m., the Boston archaeologist-turned-horticulturist will give gardening tips on raising indoor plants—how to use dim as well as sunny corners and other hints on making things grow—all with a touch of British humor.

Miss Cruso debunks the green thumb myth, saying making plants grow is a matter of effort and tender loving care. Growing plants in heated homes in wintertime will be among the gardening problems she will discuss.

### Critic Alvin Toffler To Speak at SIU-SW

Social critic Alvin Toffler will speak on "Future Shock," at Southern Illinois University-Southwestern campus Wednesday. Toffler's lecture is part of the SIU-SW Artist-Lecture Series and will be at 2:30 p.m. in the St. Clair Room of the University Center. It is open to the public.

Toffler, a former associate editor of Fortune Magazine, is the author of a 1968 book on "Future Shock." In his newest book Toffler contends that American schools "are doing an excellent job of educating our youngsters—for the 19th Century." According to Toffler, nine out of ten school children today will be citizens of the Twenty-first Century and the schools "must help students explore the future precisely as we now explore the social system of the Romans and the rise of the feudal manor, so that they are prepared to cope with life in transient environments and become useful citizens of tomorrow."

The six-day Illinois annual conference of the Greater Bethel AME Church, which ended yesterday at the Bethel AME Church, 1035 Market street, was attended by 400 pastors and delegates.

Rev. Fred H. Oliver is pastor of the host church, and the conference was presided over by The Rt. Rev. Howard Thomas Primm, Bishop of the conference.

Mrs. Mahala W. Griggs was general chairman of committees arranging the conference, and the committee chairmen were—

Mrs. Jiffer Peige, housing; Leonard Collier, souvenir program; Mrs. Luita Jenkins, registration; Mrs. Shirley Green, hospitality; Mrs. Mary Cross, purchasing; Mrs. Hilda James, music; Rev. James Jenkins, dining room; Miss Bernadette Barrett, decorating.

Mrs. Sallie Mosely, snack bar; Mrs. Cozetta Collier, kitchen; Mrs. Curlee Davis, reception; Mrs. Mildred Brown and Mrs. Ola Jones, cooking and meal planning; Mrs. Gladys Bradley, patrons; Mrs. Wadie Baucum, operation deep freezer; Mrs. Bertha Oliver, special guests; Joe Williams, parking. The Sunday services were held at Venice high school with an ordination ceremony. Bishop Primm gave the sermon.

In the afternoon, there was a songfest by the conference choir, followed by the closing program which included an announcement of appointments.

### GC Optimists Hear Investment Authority

Mutual fund programs through which many life insurance companies are now broadening their operations was the topic of Norman Nelson, manager of County Capital Investment Co., who spoke Thursday noon at the Granite City Optimist's weekly luncheon meeting.

Nelson, whose company was organized about three years ago as a subsidiary of County Companies Insurance firm, said close to 100 life insurance groups have expanded into the mutual funds field.

Thirty members attended the noon luncheon, held in the Rose Bowl restaurant. Fred Cunningham presided over the business session, his final meeting as club president.

Autos driven north on McCambridge avenue by George W. Todd, 2118 Hamilton drive, and Katherine E. Bogesian, 1727 Poplar street, were involved in a collision at Sixth street about 4 p.m. Friday when a boy riding a bicycle caused the woman driver to swerve. There was damage to the left side of the Bogesian auto and to the right side of Todd's auto. No one was injured, police said. The cyclist rode off.

### Madison Radar Squad Issues Six Tickets

Six motorists were issued speeding arrest tickets Saturday as Madison police operated a radar unit. Ticketed were Kenneth Wise, 106 Kirkpatrick Homes; Robert Orendor, 207 Paradise lane; Leroy Logan, 1028 College avenue; Kenneth Kissel, Collinsville; John Riley, St. Louis, and Frank Ensor, National City. Ensor also was charged with improper lane usage.

### Faces Two Charges

Charges of careless driving and operating a motor vehicle without a driver's license were placed against Robert F. White, 28, St. Louis, following an accident about mid-night Saturday at 20th street and Madison avenue. White, who escaped injury, told police he apparently dozed, and his auto crashed into a parked car, knocking it into a pole. The parked car belonged to Dean Peters, 4117 Old Altan road.

## Neighborhood Scouters Outline Year's Program

The Girl Scout Leaders of Neighborhood Two resumed their monthly meetings Thursday evening at McKinley school with the chairman, Mrs. Doris Wood, in charge and they made plans for the new year.

The chairman introduced special guests, Mrs. Doris Votaw, district four chairman, and Mrs. Margaret O'Dell, district advisor. A brownie hike is scheduled for Oct. 4 and the cost will be 25 cents per girl. The troops will assemble at St. Joseph at 10 a.m. and will hike to Shelter 5 at Wilson Park. Parents are to pick them up at 2 p.m. Each scout is to have a sack lunch. Drinks will be provided.

The juniors will also participate in a neighborhood hike Oct. 11 starting from Logan school at 9:30 a.m. They will return at 2 p.m. after hiking to the canal locks for a tour and sack lunch. Leaders will furnish the drinks.

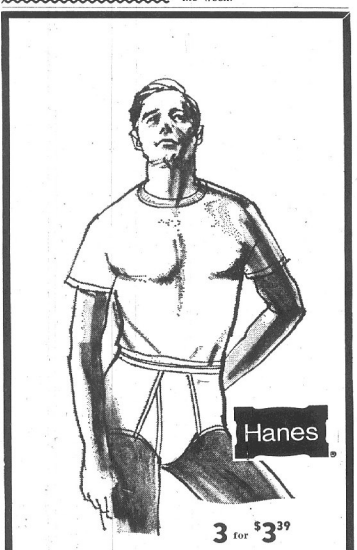

Mrs. Margaret Barton gave a report on the annual recognition awards dinner to be held in October at the Elks club restaurant. The neighborhood is in charge of table decorations. Advance tickets will be sent to leaders are asked to attend in uniform.

The organization discussed the November service project, and Mrs. Norma Walton displayed Pilgrim hats which will be used as tray favors for the Coronaditas Nursing home under the guidance of Mrs. Mildred Proffitt and Mrs. Pat Blackwell.

A leaders' training course for the Brownie and Junior level will be held the first week in November at St. Joseph's school with Mrs. Pat Rigney and Mrs. Walton supervising the workshops.

Plans were made for the Festival of GIVING program Dec. 14 at St. Joseph from 2 to 6 p.m. and Mrs. Rigney and Mrs. Barton will be in charge of decorations. Mrs. Logan Conley confirmed other Christmas arrangements. All troops will participate in a Christmas project, to make cards for service men. Mrs. Wood has been selected as a delegate to the national convention in October.

ARTIST Stan Hoffman, 21, and his larger-than-life sculpture that is on display at the SIU-SW campus.

## Local Sculptor Creates 'Indescribable' Piece

Though Stan Hoffman's piece of sculpture weighs over 2000 pounds, he rapped its galvanized steel structure with his knuckles and stated, "Maybe it filled it with concrete it would be better."

Hoffman, 1620 Clark avenue, a 1968 Granite City high school graduate, is an Arts Education major at Southern Illinois University-Carbondale campus. Rather than taking a leave from his studies this summer, as most students did, he went to the SIU-SW campus and began sculpting a 28-foot tall structure of lumber, nails and a 32-gauge steel covering.

He claims the work of art "may never be completed," but its dimensions and solidity will convince anyone that something outlandish has been begun.

Even the creator, Hoffman, finds the piece indescribable without the help of a photograph. "What's it look like? As far as telling somebody, a thousand words wouldn't do. The best description is, it's a big metal thing."

"I wanted to do something out-of-dimension, something bigger than I. Like the St. Louis Arch."

"The Arch is this century's greatest work of art, because, it's indestructible. It can never be destroyed. Not because it's made of steel and concrete, but because when people build something that big and strong, God won't let it fall."

"If I had my choice, I'd give everyone a long cardboard tube and not let anyone look at my work, except through that tube. This would force them to stand

far away from the piece and then they couldn't see the seams and imperfections in its surface," Hoffman commented.

The St. Louis City Art Museum is considering buying the structure. Hoffman will sell it for the cost of the materials.

"If I want to keep working, I'll have to sell it. These materials cost money and I don't want to be forced to go to junk yards like some artists are forced to do."

Hoffman's creation and the larger-than-life works of several other artists can be seen on the SIU-SW campus grounds near the office of the University Associate Architect.

The galvanized sheets of steel used by the young sculptor were purchased through his father, Stanley D. Hoffman, from Granite City Steel, where the senior Hoffman is a foreman and has been employed for 35 years.

# Happiness is a doll at Christmas

ENTER OUR SECOND ANNUAL DRESS-A-DOLL CONTEST. TOGETHER WE'LL BRING HAPPINESS TO LITTLE GIRLS THIS CHRISTMAS

We have a supply of beautiful dolls which we plan to give free to as many deserving little girls as we can this Christmas. Each doll needs a dress, however and here is where you come in.

Take home a doll. They are carefully boxed for easy storage. At your convenience, dress the doll and return it to us by November 21. As a guide, we have chosen six categories that will help you decide on the type of dress or outfit to make. When all the dolls are returned judges will select the best dressed doll in each category plus a grand champion of the entire contest. There will be prizes of course, to reward the winners.

Then the dolls will be identified and placed on display for two weeks, but the real purpose, of course, is to provide as many children as possible with an exciting gift at Christmas. With your help and the help of those who will distribute these dolls, we will do just that.

Come in soon, the dolls are available for pickup now.

MRS. TERRY D. BARRON, a bride of Saturday. Her wedding was solemnized at First Church of the Nazarene.

## Barron-Barnett Nuptials At First Church of Nazarene

First Church of the Nazarene, 2400 East 25th street, was the scene of the wedding Saturday evening of Miss Marcia Barnett, a daughter of Mr. and Mrs. Durrell D. Barnett, 3803 Yale drive, and Terry D. Barron, whose parents are Mr. and Mrs. Melvin F. Penberthy, 2920 Forest avenue.

The Rev. George H. D. Reader heard the vows of the couple at 7 o'clock, and a reception was held afterward in the church educational building. Arrangements of orchid flowers were used on the altar and light was furnished by an arch of burning candles, flanked by more of the candles in braced candelabra at either side. White bows and candles on the pews, and candles in the aisle further illuminated the scene.

Mrs. Ralph Barker presided at the organ and accompanied the vocalist, Mrs. Victor Wilkins.

Given in marriage by her father, the bride wore a princess style gown of white peau d'aille. An overlay of Venice lace trimmed the Victorian collar. The same trim was repeated over net to form wide cuffs on the long sleeves.

A row of tiny covered buttons accented the bodice and a deep inverted pleat gave fullness to the floor-length skirt which swept into a graceful chapel train. A formal veil of illusion, etched with seed pearls, cascaded from a pillbox centered with pearls and crystal beads.

The bride carried a colonial cluster of white roses, white carnations, gladiolus florets and variegated ivy.

Miss Kay Frances Embick was maid of honor, serving with four bridesmaids, Miss Brenda Brown, Miss Gayle-Cox, Miss Susan McKeown and Miss Les-

lie Barnett, a sister of the bride. The attendants wore floor-length gowns of wisteria otonoman cloth, the bodices trimmed with ecru lace. The same lace trim was repeated on the long sleeves. All wore bow headpieces of matching fabric and lace with maine veiling and carried nosegays of light and dark orchid asters, miniature red carnations and orchid ribbon.

A little flower girl, Cindy Blaylock, wore a dress patterned after the bride's gown and carried a miniature bouquet similar to those of the bridesmaids. Glenn Penberthy, the bridegroom's brother, was ring bearer.

James Brewer, an uncle of the bridegroom, was best man and Jerry Doyle, Lloyd Waits, Gary Embick, Lester Penberthy, the bridegroom's brother, Alan Bogovich and Russell Borth, made up the list of groomsmen and ushers.

For her daughter's wedding Mrs. Barnett chose a coat and dress costume of Pink Romance fashioned of worsted shantung trimmed with matching Venice lace and accessories in shades of pink and pearl. The bridegroom's mother was in a two-piece grey ensemble. Both mothers wore corsages of miniature carnations in shades of pink.

Assisting at the reception were Miss Phyllis Doyle, who presided over the guest register, and aunts of the bride, Mrs. Walter Vunovic, Mrs. Weldon Burch, Mrs. Helen Peterson and Mrs. Robert Peterson. The rehearsal dinner was given in the home of Mr. and Mrs. Robert Peterson Friday evening.

The newlyweds left after the reception for a honeymoon, the destination of which was not disclosed.

## Byers-Ashby Nuptials

Miss Patricia Ashby, a daughter of Mr. and Mrs. W. E. Ashby, 2032 Edison avenue, and Michael L. Byers, son of Adolph Byers of Godfrey, Ill., were married Saturday evening at St. Joseph Catholic Church.

The ceremony was performed at 7 o'clock by Rev. Peter Bertoldo, and the bride's parents entertained guests at an informal ceremony in their home afterward.

The attendants were Mr. and Mrs. John Modrusic, a brother-in-law and sister of the bride.

The bride wore a three-piece maroon suit and carried a colonial bouquet of daisies. Her sister was in an ice blue skimmer. Her flowers were pumpkin colored pom poms in a nosegay. The newlyweds will reside at 2038a Edison avenue.

## PTA Council Begins Season

The Granite City Area PTA Council held the first fall meeting Thursday evening at Grigsby school.

A pot luck dinner was served to 64 board members and principals from 13 schools, following the invocation by Rev. Gus Falter, pastor of Pontoon Baptist Church.

Dr. Benjamin Rose, president, welcomed the guests and introduced the speaker, Robert Nelson, head of the math department at the Granite City high school who discussed "The Work Load and Worth of a Teacher."

Reports were given by the secretary and treasurer, Mrs. Twila McKinney and Arthur Mendez, and special guests present were Mr. and Mrs. B. J. Davis, Falter, Dr. W. E. Walton, Mr. and Mrs. Dale Rea, Charles Weiss, Grigsby principal, and Kenneth Spalding.

Other officers, were James Dumont, principal of Coolidge Junior high school, vice-president and program chairman; Mrs. Alma Burnett, corresponding secretary; and the committee chairmen, Mrs. Juanita Hunter, hospitality; Mrs. Mary Jessee, legislation; Guy Lahr, Scouts; Mrs. Pat Polley, character and cultural; Mrs. Lucille Caban, health; Robert Kirgan, school education; Mrs. LaVena Meyer, membership; Mrs. Donna Brandon, publicity.

A communication was read concerning the availability of a fill men multiple sclerosis entitled "My Friend Joe," to be narrated by James Stewart, and comments of the Illinois Congress of Parent Teachers workshop on parent-education, workshops and basic courses to be held at Webster school; and the fall conference of the district to take place at the Altan senior high school Oct. 7 for which, reservations are to be made by Sept. 30.

## ENTERTAINS SISTER

Miss Lida Heyer and Mrs. Ted Musbach of Nashville, Tenn., have returned to the south after a vacation of three weeks here. Miss Heyer, a former Granite Cityan, spent the time with her sister, Mrs. Ella Crabtree, 2509 Benton street, and Mrs. Musbach visited relatives in St. Louis.

disclosed. They will live at 2601 East 25th street, when they return.

The former Miss Barnett, a graduate of Granite City high school, attended SIU-SW. She is a legal secretary employed by the law firm of Calvo, Hill & Matekya. Mr. Barron, also a graduate of the local high school, is employed by a transfer company in St. Louis.

## MORE ABOUT GC Man Killed

pial at 4:15 p.m. Thursday after they were injured in an auto accident.

Tidwell, who complained of general pains, received x-rays to the chest and spine. Shemwell, who has been released, had lacerations on the right forehead and over the left eye. Sutures were taken, as well as skull x-rays. Details of the mishap were unavailable.

**Passenger Killed**  
**Auto Hits Barricades**  
John Askins, 19, of 709 Twenty-sixth place, and a passenger in his auto, Sharon McElroy, 18, of 2047 St. Clair avenue, were injured when the car struck barricades on Route 3 between Granite City and West Chain of Rocks road Thursday night.

They were taken by ambulance to St. Elizabeth Hospital where the girl was admitted. A splint was applied to her left forearm. She also suffered several small cuts to her chin, nose, lips, left fingers and abrasions to her neck and both knees. X-rays were taken.

Askins was transferred to Scott Air Force Base Hospital with a compound fracture of the nose, cuts to his head and lips and abrasions and contusions to his chest.

Edwin Long, 55, of 1300 Edwarsville road, a baker for a St. Louis firm, was injured Friday afternoon in a two-car accident on Interstate 70 at the route 200 exit. He was admitted to the hospital here for treatment and cuts and abrasions to his face and a chest injury.

**Injured in Accident**  
Patricia Worthing, 28, of Collinsville sustained minor injury Saturday afternoon in a two-car accident on Washington avenue at Nameoki road. Police said her auto and the car of Gloria Knebeloch, 2147 East 24th street, were northbound at the time of the accident.

Admitted to St. Elizabeth Hospital Saturday evening following a two-car accident on Interstate 70 near West Florissant avenue were Mrs. Shirley Backs, 21, of 2715 Iowa street, and her sister, Miss Molly Wallace, 23, of the same address. They suffered head and neck injuries when the car in which they were riding was struck from behind.

Lela Catron, 24, of Kenisha, Wis., suffered a deep cut to her forehead Sunday morning when the auto in which she was a passenger crashed into a parked car in the 400 block of Madison avenue. She was hospitalized here, also complaining of a back injury.

Madison police said the driver was George Wadlington, 18, of Alton, who was charged with careless driving. Police are endeavoring to learn the identity of the owner of the parked car.

**Speeding Ticket**  
Charged with speeding in the 2500 block of Madison avenue at 2:30 p.m. yesterday, Donald K. Wilson, 720 Twenty-seventh place, was told to appear for a hearing by Oct. 20.

**Stop Sign Charge**  
Arrested at West 20th and Spruce streets at 10:20 p.m. Sunday, Pete R. Kostelci, 800 Lee avenue, was charged with a stop sign violation.

**Signal Light Charge**  
Robert L. Ray, 3004 Forest avenue, was ticketed this morning on a charge of failing to obey a traffic signal at Madison avenue and Nameoki road.

**Rites in Oklahoma For Mrs. Alta McClain**

Funeral services were conducted Thursday in Peppis, Okla., for Mrs. Alta Vernia McClain, 60, of 2817 Cayuga street, who died last Tuesday following major surgery in a hospital at Pryor, Okla.

Mrs. McClain became ill after attending the funeral services of a brother, Edmund Rice, and was taken to the hospital. Death was attributed to the rupture of a major blood vessel of the stomach.

She resided in Granite City for 17 years and was a member of the Apostolic Pentecost Church. Mrs. McClain had been employed for four years at the Madison Nursing Home and had retired about ten years ago.

Survivors include her husband, Eugene McClain, custodian of Coolidge Junior High school; two sons, Guy R. Edwards of Kansas City, Mo., and Paul Edwards of Tulsa, Okla.; two brothers, Fred Rice and Floyd Rice both of Tulsa; a sister, Mrs. Bessie Van of Peppis, Okla.; and seven grandchildren.

# Grid Warriors Drown Collinsville Kahoks in 45-8 Deluge

The grid Warriors did a rain dance Friday night under Granite City skies that tidal-waved a net gain of 484 yards and drowned the Collinsville Kahoks or ended the half's scoring with 25 seconds remaining before termination.

The Kahoks could tread water for a gain of only 31 yards rushing and 47 yards passing. Even their lone scoring combination was sloppy, since it was immediately preceded by a 63-yard touchdown, and followed 24 seconds later by another Warrior touchdown.

Collinsville's deepest penetration, other than the kickoff touchdown, was to the Warrior 32 yard line in the game's final minutes, and on that occasion the Kahoks fumbled and lost the ball to the Warrior second string defense.

Collinsville received the opening drive after a series of downs punted to the mid-field mark. Granite City marched on the ground with short carries in the opening quarter by fullback Stan Corey, halfback Steve Ganz and a quarter back kept by Dave Evans for three first downs. From the 5 yard line, Ganz traveled off left-guard for six points. The kicking conversion missed.

Late in the second quarter, Collinsville punted to the Warrior 30 yard line. The Warriors mixed the attack until from the Collinsville seven, Evans rifled a throw to Dave Melzer in the end zone. The two-point poutchout play failed.

The kickoff, with 1:03 minutes before the half, was high and long. After one bounce Kahok Riggs caught the ball seemingly surrounded by Warriors. Riggs made one fake and scored 52 yards for a touchdown. The two-point pass conversion was good from quarterback Bo Kelly to end Mark Dawkins.

With 49 seconds to go before halftime, the Kahoks booted an on-side kick and the Warriors dropped with the ball on their own 47 yard line. A 17 yard pass

to Ganz, a 13 yard quarterback keeper, a lob to Jeff Melzer in the end zone and a two point pass conversion to Dave Melzer ended the half's scoring with 25 seconds remaining before termination.

It was Granite City's turn to receive, and Don Harris took the kickoff on the 15 and moved the ball out to his own 36 yard line. Corey carried twice for a short gain. Ganz nabbed a short pass and ran 37 yards. Corey powered 35 yards in three takes to within two feet of a goal. Evans then sneaked the ball across.

For the conversion, Granite City was penalized five yards twice for delay-of-game and illegal procedure, then the kicking conversion failed.

The Kahoks used up one set of downs and punted to the mid-field. In two plays Corey and Dave Melzer ran nine yards. On the third play there was a fumble, but Evans scooped up the ball and carried for a first down. Corey made five yards, then two similar plays of Evans keeping and pitching to Dave Melzer put the Warriors first and goal-to-go on the two. Corey made good the two yds. A delay of game penalty, again, kept the Warriors from scoring.

### Warriors End Long String of Defeats

Many moons have passed (36 games); many Warriors have come and gone—and few persons in the stands Friday night could remember a victorious Granite City Warriors football squad.

The picture changed that night Sept. 26, 1969—with the Warrior win over Collinsville; a rare treat for CGHS students. The last grid victory was a Friday night, Oct. 28, 1968, when the Warriors scalped the Edwardsville Tigers here 22-6. Seven losses had preceded the win over Edwardsville.

Two more losses completed the 1968 season and 1967 showed a record of 0-8-1. There was no game with a 0-7-2 record, but the 1969 season opened with a loss to top the spring at 21 outings without a win. Now, however, with a taste of victory, Warrior gridders are "gung-ho" to keep the ball rolling.

**DENNIS KUNNEMAN** (45) at a halfback position, joins Warriors' halfback Steve Ganz and fullback Stan Corey as the team's workhorse-gainers. Dark jerseyed Warriors from left are: Kunneman, Mike Jones (63), Rich "Judy" Moore (78).

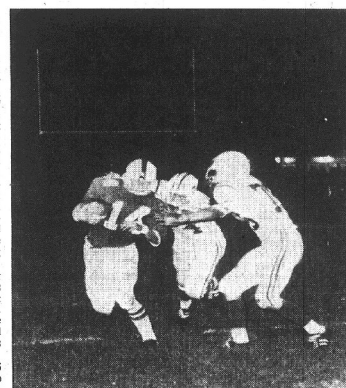

pushed the conversion attempt back five yards and the pass was incomplete.

After the kick and return, On the first down play, Kahok John Cochran fumbled and Warrior Jim Greenwald recovered on the Collinsville 31 yard line. Jeff Melzer took a pass from Evans for the goal and the extra point kick by Joe Wallace was good.

The Kahoks held the ball through one first down, then punted to end the third quarter. With junior Don Harris calling the stands Friday night, the string Warrior offensive moved smoothly down the field. Junior Dennis Kunneman carried the final six inches for the game's last tally. The passing conversion was incomplete.

Collinsville earned six first downs, completed three of 13 passing attempts and punted six times for an average 27 yards. The Kahoks lost the ball three times through fumbles and were penalized on six occasions for a total of 50 yards.

Granite City rushed for 255 yards, passed for 160 yards to prevent a shutout. The Warriors lost no fumbles, received nine penalties for a total loss of 70 yards and punted three times, including a blocked punt for a 15.0 yard average.

**AFTER A FAKE HANDOFF**, Warrior quarterback Dave Evans (14) keeps the ball and goes for good yardage without supporting Warrior blockers. Kahoks Larry Mitchell (74) and center Frank Hollinghead (75) attempt the tackle.

# Trojans Trample Highland Bulldogs -- 33-6

The Madison gridders ran over the Highland Bulldogs 33-6 Friday night at the Highland Speedway, piling up 360 yards rushing and 115 yards passing.

While regular starting quarterback Austin Lewis was benched for the entire game with an ankle sprain, backup Doug Smith (17) added to the Trojan offense with his passing ability.

Quarterback Smith completed five passes in six attempts. In the incomplection, Smith's throw was on target, but the ball bounced off the receiver's chest and was intercepted by a Bulldog.

John Ervin displayed his all-conference form catching two passes for a total 46 yard advance, and Willie Ackers gathered in three to gain 73 yards.

Trojan head coach Al Vonderoos claimed "I was pleased with Ackers snaring passes. I didn't know he could catch so well in the traffic of a game."

"Our offense worked well. Everything that went wrong last week, went right this time. The boys were high spirited. They knew Highland was punning for us, and if we didn't play all out, we would lose."

additional week's rest. But just before the game he seemed all right, and he did a good job running."

The Trojans never punted, lost two of four fumbles and were penalized ten times for 103 yards.

The Bulldogs averaged 23.3 yards for three punts, never fumbled and committed two fouls for ten yards in penalties.

Highland rushed for 43 yards and attempted 21 passes, connecting with five for a total passing gain of 52 yards.

No score in the beginning quarter, but Harold James culminated sustained Trojan drives in the second quarter with a two yard touchdown run and, later, a one yard run for another touchdown. James successfully kicked the first conversion attempt but his second point - after a touchdown boot missed.

The third quarter also belonged to Madison. Ackers caught a 31 yard touchdown pass and James kicked the extra point. Ed Chandler ran six yards for a touchdown but the two point passing conversion was intercepted.

In the final period, Ackers received a 21 yard pass from Madison's final tackler, James, and James kicked the extra point.

In the game's final minutes, the Madison defense allowed a scouting reports and this week's touchdown on defense for the first time this season, (O'Fallon made 2 TDs, a 59 yard TD kick off return and grabbed an end zone interception.) Bulldog Gabe Mitchell ran 21 yards for the touchdown. The running two point attempt was stopped.

**VENICE PUSHCART DERBY** winners Saturday in the division for fifth to eighth graders. Racing duos, with drivers in front and pushers behind them, are (left to right): Bob Schodroski and Bill Malherke; Champions Robert Schmidt and Billy Welch; Timmy Chappel and Bernie Woodrome; Don Scaturro and Jeffrey Corrie; Gerald Corrie and Steve Barney; and Mark Cicio and Bob Dixon.

**YOUNG RACING VETERANS** after competition Saturday in Venice. Kindergarten-to-fourth grade pushcart entrants, with drivers in front of their pushers, are (left to right): Champions Frank Pace and Russell Pace; Mark Campbell and John Campbell; Roy Foley and Tim Woodrome; Ron Smith and Ron Martin; Brian Brawley and Mike McGhee; and Greg Brawley and Jackie Ballentine.

A pushcart derby was held Saturday at St. Mark's school yard for all Venice grade school children who had entered. The competition was sponsored by the Venice Lion's Club, Venice police department and Venice fire department. Judges for the event were members of the Madison police department and fire department.

**FIFTEEN-CAR PILEUP** during the first turn of the hobby car double-O feature race Sunday at Tri-City Speedway engulfed three cars in flames. The fire also damaged two more cars. No one was injured.

## 1500 Witness Spirited Races, Fiery Crashes

Bill Utz immediately moved to the front and then lengthened his lead in the 25-mile supermodified featured auto race at the Tri-City Speedway yesterday, a day when a spectacular crash and fire also took the spotlight.

Utz took the checkered flag a quarter-mile ahead of Chuck Lynch, finishing in order behind Lynch were John Pardee, Jay Woodside, Wib Spalding and Jim Moughan.

The weather was beautiful and not too hot for the spectators, but the sun baked the track. Despite efforts by track officials to douse the dirt oval with a detergent solution to eliminate dust, after an hour's use the track became the new familiar summertime dust bowl.

Many hobby cars were involved in collisions. Don Hampton's car flipped over on its top and the day-of-wrecking was climaxed by a 15-car pileup during the first turn of the double-O feature race, engulfing three autos in flames. No one was injured.

After firemen extinguished the blaze and the wreckage was cleared, remaining cars continued the race, only to have two more accidents eliminate four more entries.

## Collinsville Defeats Mercer, Takes Title

The Inter-City Baseball League playoff championship went to Collinsville when Mercer lost 7-2 Sunday at Wilson Park, after losing 3-2 the week before in Collinsville.

Don Rains started on the mound for Mercer and was relieved in the sixth after allowing seven runs on 12 hits and four errors. John Corrie took over and allowed one hit. Roger Beshe caught the entire game.

Bruce Thompson hurled for Collinsville and gave up two runs on four hits and an error, with Don Lemen catching. The visitors opened with Steve Helmkamp singling, Chuck Hasenstab gaining base on an error, both advancing on the error and Clyde Blankenship walking to load the bases. Doug Edwards

reached first on a fielder's choice in which a throw to the plate was wide, with two runners scoring. Thompson singled, driving in Blankenship.

**Take 7-0 Lead**  
In the second, Collinsville rounded the diamond twice more. Lemen singled and stole, Helmkamp singling and Hasenstab hit a two-RBI single.

Collinsville added more insurance in the fifth with Tom Everman reaching base on a fielder's choice, Lemen singling, Helmkamp forcing Lemen and Hasenstab singling to score.

Everman and Helmkamp. Mercer got rolling in the seventh with Bob Ketter singling, Adrean Rains walking and Larry Corey forcing Rains. Bob Finke singled home Ketter and Corey scored on an error.

## Litterbugs on Public Lands to be Fined

Litterbugs who violate the State Fish Code may be fined up to \$300, according to William L. Rutherford, director of the Illinois Department of Conservation.

Director Rutherford points out that "anyone who dumps refuse or garbage in streams, on the ice or in any place where it might be washed into the waters of this state may be cited and fined up to \$300. Department law enforcement officers will arrest anyone they find in violation of this regulation."

"Our public lands are not dumping grounds for worn out generators, old washing machines, cases of beer cans, household garbage, broken tree trunks, waste paper or other kinds of trash."

"One answer to the problem," he continued, "may be landfill locations where trash could be disposed of in each county. The landfills must be in areas where

ground and surface waters are protected from contamination and they must meet specifications of the Illinois Department of Public Health and Environment."

Rutherford emphasized that refuse disposal is a major problem in a state like Illinois with large urban areas. He recommends a report recently published by the Geological Survey to help city and county administrators in alleviating the problem.

The report, written by Kerose Cartwright and Frank B. Sherman of the survey, discusses characteristics of likely areas for landfills and urban areas. He stresses that individual sites must be evaluated independently. Entitled "Evaluating Sanitary Land Sites in Illinois," it may be obtained free of charge from the Illinois State Geological Survey, Natural Resources Building, Urbana, Ill. 61801.

### Harvesting Gladiolus

Early fall digging and prompt drying will produce a separate pattern of symptoms but they all add up to disaster. Streaks and blotches of the flowers or turning green are some of the flower symptoms while streaking and stunting of the foliage may occur, often a combination. Infected gladiolus cannot be cured and usually rot during storage. All these virus are spread by insects which acquire the virus from the vegetables. Some of these virus can go the other way too. From the gladiolus to the vegetables.

Virus infected plants should be promptly pulled and burned before insects can spread to nearby plants. Regular spraying of the garden and your gladiolus with a garden insecticide will discourage virus spread in either direction.

## 3 Women, Man

"You took all right" they were heard to say in the clothes.

The deputies found that Zakrales had only two "girls" available.

According to plans, the deputies were given five minutes to contact the girls before Nicholas and Rizzi, along with two patrol cars of deputies, arrived.

Once inside the cabins, two deputies battered briefly over prices and the arrests were made after the women accepted money, which was marked.

One deputy reported that the woman "jumped on the bed and ate" a \$10 bill. She swallowed the money before he could get it from her, the deputy said. The bills were to be used as evidence.

### Pumping Too Costly

Nicholas said he considered having her stomach pumped but determined that it would cost more than \$10.

The other woman threw a \$10 bill on the floor when the deputy reached for his badge, he said. Both of the deputies were cursed.

The third woman was arrested after she was found in a room with a St. Louis man during a search of cabins by Nicholas and Rizzi. They said the man, 26, paid \$100 for use of the cabin during the night. Nicholas said he will be called as a witness.

Deputies also visited another establishment early Saturday, but it was closed.

Nicholas said the Friday night raids were the beginning of a series in an effort to halt prostitution in the county. He said he was acting on orders of Sheriff George Musso.

He said the business in the county is profitable and that casual fines do not constitute a hindrance. He added that an officer will "our girls could net \$2400 a week."

## State Capitol NEWS

**Samples Found Hazardous**  
Thirty per cent of home well water samples tested at the Illinois State Fair were potentially hazardous, Dr. T. E. Larson, head of the Illinois Water Survey's chemistry section, reports.

Of the 624 samples analyzed, 189 had a nitrate concentration of more than 45 parts per million. This level is suggested by the U.S. Public Health Service Drinking Water Standards as a limit of water for infant feeding.

**First-Time State Aid**  
Gov. Richard B. Ogilvie approved legislation appropriating \$5.4 million in state assistance to provide free lunches for undernourished school children.

House Bill 580 sets aside the money for distribution to local school districts during the 1969-70 school year as a supplement to federal lunch programs.

It marked the first time that state aid has been available in Illinois for the feeding of school children.

"We know that undernourished children are less responsive to the educational process than well-fed youngsters," said the governor.

"This bill is a step toward overcoming this obstacle to more effective education."

## GC Aldermen See Sewer Problems from Inside Via Video Tape

An inside view of Granite City's sewer system was given council members via videotape and narrated by a specialist who said the city's only hope to curb further breaks would be to establish a full-time sewer department with year-round maintenance and vigilance.

The aldermen and mayor, meeting in special session Thursday night, saw on television screen the leaks, breaks and faulty connections that are causing problems along the Lynch avenue, Amos avenue, St. Clair avenue and Fehling road lines.

While no answer was forthcoming Thursday on a means to finance recommended replacement of sections of the Lynch and Amos avenue sanitary lines, the specialist, L. E. Gottstein of American Pipe Services, Minneapolis, Minn., said his report showed that the city means to make application for a grant of federal funds.

### \$25,000 Study Proposed

He also offered the city his firm's services to obtain a feasibility study for a survey of the entire Nameoki area sanitary system that would cost \$25,000 to \$30,000. The study would not only uncover all problem areas but would aid the city in setting up a full-time maintenance program and establish eligibility for obtaining grants of federal funds, he explained.

## Hearing, Vote on GC School Levy, Budget Tonight

Final action on a \$137,243 budget, the largest single governmental financial document in Granite City history, is scheduled following a public hearing tonight at the Granite City school office, 20th and Adams streets.

The school board meeting will begin at 7:30; the hearing will follow board decisions on matters related to the 1969-70 budget and 1969 tax levy.

These may include employee working agreement revisions, the level of special education taxation (the state has increased a proposed qualifying rate from two cents to four cents per \$100 assessment), housing for special education, troop officer services, school policy changes and pay adjustments.

Also scheduled tonight are a group insurance contract decision, action on bids and personnel, night school salaries, steel construction architectural fees, a policy on employment of classroom aides, and provision of sanitary sewer service to new schools.

Mayor Partney noted that the city plans to file an application and is eligible for a federal grant for the Lynch avenue line replacement, but he has been advised by the federal Housing and Urban Development agency that no funds would be available until after July 1970.

"What we do in the meantime is our problem. Maybe through economy measures on purchases and improvements we can find the \$100,000 to \$200,000 for the line replacement and then be reimbursed by the federal government after next July," the mayor said.

### Data on Hand

The city has the data to provide the federal government with a detailed feasibility study which is required before application can be made for the grant of federal funds.

The services provided by American Pipe Services will cost the city \$10,000 to \$14,000, including the closed-circuit television inspection and reports. When asked if he would aid the city in preparing the present applications Gottstein said the cost would be \$1000 to \$2000.

Mayor Partney commented that he believed the city engineer would be able to prepare the necessary forms without assistance.

### Equipment Needed

The mayor noted that the firm's charges include payment of \$31.25 an hour to clean sewers for the television inspection, and he recommended the city repurchase bucket-type sewer cleaning equipment and assign a crew of two or three men to undertake a year-round cleaning program.

The city sold its bucket equipment several years ago replacing it with a jet-water cleaning method. "We know our problem areas, and with proper maintenance and inspection could possibly avoid the problem of breaks," he added.

### Sealer Not Recommended

The American Pipe representative told council members he would not recommend the application of a gelatin-plastic sealer at joints in the lines inspected.

He noted there were several sewer lines with vertical misalignment. Recommended for replacement were the Lynch avenue line between Maryville road and Stearns avenue and a north-south connecting trunk line that crosses Lynch, Waterman

Boyle and Spalding avenues—a total distance of about 1300 feet. A 46-foot section of the Amos avenue line west of Fair Oaks drive also needs to be replaced.

Because of leaks that will create washouts and collapse, water leaking from a storm water line is finding its way into the sanitary sewer at several pipe joints, the American Pipe engineer pointed out. This was viewed by the council on the video tape.

### Frourding Tap-Ons

Of concern to the council was a large number of tap-ons that protruded into the trunk sewer lines in the cloveview subdivision area. The pipe firm engineer pointed out that even though a "Y" joint was provided for each lot, the connections were made by "knocking a hole in the sewer line and sliding in the connecting line through."

Several protruded three to four inches, nearly trapping the floating camera, and providing a barrier for any sewer cleaning buckets.

He pointed out one sewer cleaning bucket remains in the Lynch avenue line near Maryville road. "We can't get it out," he added.

Gottstein stressed to the council that the sewer line is single strength pipe, and that the replacement should be double-strength. "The ground was dry when the line was put

in, but now your water table is up and the weight on the sewer line is much greater," he explained.

### 216,000 Feet of Sewer

Council members were provided with maps and charts of the trouble areas, giving depths and lengths of lines. The Nameoki sanitary system includes 216,000 feet of sewers and 800 manholes, all of which need maintenance and frequent inspection.

The specialist urged the council to proceed with replacement of the 15-inch Fehling road trunk line that is 14 feet underground. "You definitely need double-strength pipe for that important line. Much of that work is now being done between the American Village shopping center and Bradley avenue."

On St. Clair avenue near Warren avenue, he noted, a manhole is sinking and needs to be watched.

Commenting on the protruding sewer tap-ons, Mayor Partney said the trunk line was installed by the subdividers and turned over to the city for maintenance and reimbursement of costs.

He asked council members to consider withholding the reimbursements that are paid on a 60-40% basis from the \$250 monthly tap-on charge. "Maybe we could use that money to ward paying repair bills," he added.

to education and maintenance funds. In other actions, the board: Employed three new teachers and a clerk and accepted resignations of two clerks.

### New Teachers

New teachers are Miss Therese C. Coonan of Caseyville, holder of a master's degree from Southern Illinois University with 11 years of experience, for Dunbar school; Marcus Spraggins of St. Louis, a graduate of Alabama State University with two years of experience, for Dunbar school; and Michael T. Bandy of Bethalto, an SIU graduate with three years of experience, for Madison junior high school.

Mrs. Josephine Rajewski was hired as a clerk at Louis Baer school. Clerks resigning were Mrs. Verne Johnson at the high school and Mrs. Carmen Bridick at Louis Baer school.

The board amended the school calendar, as the teachers' institute date has been changed from April 3 to March 26, and a before Easter. The board agreed to dismiss classes on the following day, March 26, to provide a longer holiday weekend. The Thursday before Easter previously had been scheduled as a class day.

### Smoke Partitions

The board generally discussed conditions at buildings, and Raymond Dragich, superintendent, stressed the need to install glass smoke screen partitions at the high school this year to comply with the state school safety code. He is to discuss the work with the school architect.

The school enrollment was listed as 2800, a decrease of 28 from last year and a two-year decrease of 141. The staff includes 124 teachers, seven principals and three administrators. The board approved August educational salaries of \$26,985 and building salaries of \$422, and August bills of \$20,730 from the education fund, \$3733 from the building fund and \$4672 from the lunch fund.

The treasurer's report showed August cash balances of \$23,554 in the education fund, \$3644 in the building fund and \$41,943 in the bond and interest fund for a total of \$67,141.

### Four-Auto Accident

Four vehicles were damaged as an auto driven by Margie Smith, 1908 Joy Avenue, ran off the road and struck the parked auto of Thomas J. Byer, 2453 Pontoon road, in front of his home. It was towed into the parking car of Jim Byer, same address, which was pushed into the rear of a pickup truck owned by Friedrich Air Conditioning & Heating Co., 2233 Madison avenue. The Smith woman was charged with careless driving.

### FIRST TROOP MEETING

Brownie Troop 140, sponsored by the Marshall PTA, met Wednesday for its first session of the new scout year under the leadership of Mrs. Charlotte Fuller and Mrs. Marilyn Smith in the Smith home, 2801 Wayne avenue.

The weekly meeting opened with the pledge of allegiance and promise, and the leaders

explained rules for holding a troop meeting in a home. A discussion was held on troop procedures.

Mrs. Fuller discussed participation in the Fun Fair and each Brownie told what she had done during the summer vacation. A song session closed the meeting.

Responding to roll call were Kim Anderson, Nancy Ashby, Debra and Debra Cox, Carol Davis, Laurie Farrer, Barbara and Lisa Fuller, Kathy Hadley, Tammy Hutson, Kim Johnson, Vicki Johnson, Ingrid Kramer, Barbara Miller, Betty Singleton and Tammy Smith.

Webster PTA Brownie Troop 198 resumed its meetings Wednesday with a new leader, Mrs.

Barbara Blackburn, who was formerly with Troop 889. She was assisted by Mrs. Miller. The troop will meet every Wednesday in the cafeteria.

With the girls seated in a Brownie ring, Mrs. Blackburn gave the Brownie history. The girls played games and sang rounds.

In attendance were Robin Barnes, Connie Blackburn, Marilyn Bonnell, Jean Conway, Sherrie DePew, Mary Felker, Sally Hand, Ruth Ann Johnson, Tammy Pounds, Lisa Thompson, Nancy Watkins, Toni Yount and a guest, Stephanie Blackburn.

### HOEDOWN LUNCHEON

The Ladies Aid of Concordia Lutheran Church sponsored a country and western hoedown luncheon and festival Thursday afternoon, with 140 in attendance. Lutheran churches in Granite City, Belleville, Collinsville and East St. Louis were represented, as well as the Dewey Avenue and Nameoki Methodist churches, Trinity Methodist, St. John's United Church of Christ and St. Margaret Mary Catholic Church.

Mrs. Thelma Cuvor, president, conducted the out-of-town roll call and introduced games. Mrs. Alberta Fritzsche served as chairman for entertainment. Rev. Arvin Twietmeyer offered opening prayer.

Preceding a family-style dinner, the Chastain Sisters, with Mrs. Gertrude Peters on guitar, and Mrs. Evelyn Johnson sang several folk songs and led community singing.

A country store featured home-made bakery goods, plus white elephant prizes. Mrs. Elmer Wagner had made many ceramic articles which were used for game awards. Ladies Aid members were attired in country and western dresses

and sunbonnets.

Table appointments were in keeping with the festival theme, with tiny sunbonnets made by Mrs. Freda Hoefel, Mrs. Nettie Dudenhofer and Mrs. Dorothy White as favor cups.

### HOME ON LEAVE

Seaman Third Class Paul E. Gorbey, a son of Mr. and Mrs. Ray Gorbey, 2708 National avenue, arrived home Friday evening from Gulf Port, Miss., for a 15-day leave.

Seaman Gorbey is married to the former Mary Ann Kirchner and they have two children, Michelle, 4, and Christopher, 2. The family has been living with relatives here.

## Miss Spahn Is Engaged

Among the early autumn engagements announced is that of Miss Paula Ann Spahn, a daughter of Mr. and Mrs. Paul Spahn, 303 Willow avenue, and Leon C. Thouvenot, a son of Mr. and Mrs. Cornelius Thouvenot, 4101 Old Collinsville road.

The wedding will be solemnized Oct. 17 at St. Margaret Mary Catholic Church. The Rev. Hugh Cassidy will perform the ceremony.

The bride-to-be attended Sacred Heart parochial school and graduated from St. Teresa Academy in East St. Louis. She is presently attending SIU-SW. The bridegroom-to-be graduated from Althoff high school and SIU-SW. He is currently employed by a St. Louis public accounting firm in St. Louis.

The engagement is announced by the bride-elect's parents.

## District Garden Club Winners

A semi-annual meeting of District V, Garden Clubs of Illinois, was held Thursday at the Signal Hill Lutheran Church, Belleville, with 64 women of the district attending, including a number from the Granite City clubs.

The director, Mrs. J. N. Fitzsimmons, Cahokia, called the meeting to order at 10 o'clock. The address of welcome was given by Mrs. William Craig, president of the Fairview Garden Club, which was the hostess group. Mrs. Earl Lunsford led the flag pledge, and the group sang the national anthem led by Mrs. Fred Orr, accompanied by Mrs. Adolph Streck.

Named to the nominating committee by the general assembly were Mrs. Curt Eckert, Mrs. Temple Marsh, Mrs. William Maack and Mrs. Orr. Winning clubs in the artistic flower arrangements on display were announced by Mrs. S. P.

In the class "September is Virgo"—Lakeview, blue ribbon; Cahokia, red, and Lebanon, yellow. In the class "Fall Harvest is New and Old," Macouh, blue; Garden Study, yellow; and Westchester, yellow. In the horticulture exhibits blue ribbons went to Mrs. C. E. Eads, Mrs. Marcellus Kaufhold, Mrs. Earl Glenn, Mrs. Ben Perrin, Mrs. William Craig, and Miss Stella Sewald.

For her daughter's wedding the bride's mother chose a champagne beige silk shantung dress, a sleeveless coat of embroidered organza and brown accessories. Both were orchid corsages.

Miss Sheryl Isaak, the bride's sister, was in charge of the guest book at the reception. The couple will reside at 2445 Cleveland blvd. Both young people are graduates of Granite City high school, and Mrs. Sturmon is employed by a local beauty salon.

MRS. JOHN A. GROBOSKI, the former Janice Sue Szymcek, who was married Saturday at St. Joseph Catholic Church.

## Janice Szymcek, John Groboski Are Married

St. Joseph Catholic Church in Granite City was the setting for the wedding of Miss Janice Sue Szymcek, daughter of Mr. and Mrs. Victor A. Szymcek, 2034 Fourteenth street, and John A. Groboski, son of Mr. and Mrs. John Groboski sr., 2943 Washington avenue, Saturday.

The candlelit altar was decorated with fall flowers and ferns. Fr. Berthold, assistant pastor of St. Joseph Church, officiated at the double ring ceremony.

Mrs. Clara Judd provided the wedding music at the organ. Mrs. Mary Scanlon sang "Mother Beloved," "Ave Maria" and other selections.

The bride was given in marriage by her father. Her gown was of pearl de sole, trimmed at the neckline with seed pearls and lace, as were the bell sleeves. The bouffant skirt had the same trimming of lace and pearls and ended in a full train.

The elbow-length veil was held in place by a taria of pearls and sequins. Her colonial nosegay was of roses and mums, centered by an orchid corsage.

The matron of honor was Mrs. Janet Muniak of Falls Church, Va.

Miss Ann Wilson of Granite City and Miss Joan Mayes of

Collinsville were bridesmaids. Their ankle-length gowns were avocados, fashioned of crepe and Venetian lace, with sweetheart necklines and short sleeves. The skirts were of A-line design, each having a semi-train in the back.

They were matching hats of avocado with net veiling. Each carried a colonial bouquet of yellow roses and mums.

Elizabeth Rose Szymcek and Dawn Marie Duffin, sister and niece of the bride, served as flower girls. They wore gowns identical to those of the honor attendant and bridesmaids, and carried baskets of fall flowers.

Joseph Groboski served as best man for his brother, Gale Crane and Michael Trian were the groomsmen. Steve Secharian and Ronald Fedorchak seated the guests.

The reception was held at the Polish Hall in Madison following the ceremony. The young couple will reside in Granite City upon returning from a short wedding trip.

The mother of the bride wore a rose-colored A-line dress of silk and embroidered lace. Her accessories were silver and her corsage of pink carnations was tipped in silver.

The mother of the groom was Mrs. Janet Muniak of Falls Church, Va. Miss Ann Wilson of Granite City and Miss Joan Mayes of

## Birth Control Advice To Minors Now Legal

Gov. Richard Ogilvie has signed a bill which for the first time in Illinois will allow a physician to use his professional judgment in deciding whether to give a sexually active minor girl contraceptive advice. No longer must a girl have one illegitimate pregnancy and be on relief before she can obtain such care.

Prior to the new bill, birth control services could be given only to women who were 15 and over, were married, or had a baby and were receiving public assistance. If a doctor gave a minor girl contraceptive care who did not meet this criteria, even with written consent of a parent or guardian, he placed his license to practice in jeopardy according to Illinois law. The new legislation (House Bill 2732) provides that birth control services may be rendered by licensed physicians in Illinois to a minor who is married or who is a parent; or who is pregnant; or who has the consent of parent or guardian; or for whom the failure to supply such services would create a serious health hazard; or who is referred for such services by a physician, a clergyman, or a planned parenthood agency.

Noting that the Chicago board of health alone delivers 3500 babies a year to minor girls, Dr. Joseph Swartwout, department of Obstetrics and Gynecology, University of Chicago, and chairman of the Family Planning Coordinating Council of Chicago, said that earlier maturation rates in girls (now 11 years) makes past legislation unrealistic.

"The minor girl is not only a high risk but her child, in addition to the tragedy of illegitimate birth, is most apt to have severe health problems," the physician said.

## Army Medical Skill Program Opportunities

"Qualified men and women now may receive faster promotions as well as special training in selected medical skills under the new Army medical skills enlistment option," Sgt. Morris L. Cook, local Army recruiter said today.

To enlist under the new option, applicants must meet basic eligibility requirements and be technically qualified for training in medical skills. Male applicants may enlist without regard to the number of dependents, while women enlisting must have no dependents under the age of 18.

Applicants will be assigned to the Army Medical Training Center, Fort Sam Houston, Tex., for training upon completion of basic training.

After satisfactory completion of advanced training, the applicant will be eligible for promotion to the grade of staff sergeant without regard to time in grade or length of service.

Special fields covered by this option are brace specialist, dental or medical laboratory assistant, dental, occupational therapy or x-ray assistant, clinical pharmacy, veterinary animal or diet specialist, dental hygienist or physical therapist. Upon completion of the period of enlistment, enlistees under this program would be qualified to accept well-paying civilian positions and would be eligible for all other veterans' benefits, such as schooling, Sgt. Cook added.

Interested persons may contact the sergeant at 1206 Niedringhaus avenue.

## One Ticket Left for Two-Day Ozark Trip

Only one reservation for the Granite City park district's two-day excursion to the Lake of the Ozarks, set for Saturday and Sunday, Oct. 11-12, Harold Brown, park superintendent said today.

Cost of the trip for the individual is \$16, which includes round-trip transportation by chartered bus and overnight accommodation at the Osage House, a popular resort overlooking the lake. Meals are not included in the total price. The lodge has a dining area and restaurants are located nearby.

Forty-two persons already have booked reservations for the trip, Brown said. The bus will depart from the Wilson Park ice rink parking lot at 8 a.m. Oct. 11, returning to Granite City on Sunday evening, Oct. 12. The journey takes about 2 1/2 hours and rest stops will be made enroute, he added.

A one-day excursion to the Cobblestone Resort in the Ozarks, scheduled for Sunday, Oct. 12, is completely booked, Brown advised. He said 180 Granite Cityans will make the 25-mile round-trip through many scenic areas of the Missouri Ozarks.

**NEWCOMERS CLUB PRESIDENT**, Mrs. Betty Schuster (right), presents \$100 check to Mrs. Janet Wilson of Granite City, a member of the Easter Seal Society board of directors, to be used at the Society's locally operated Tiny Tim Pre-School for handicapped children.

## Newcomers Club Aids Local Easter Seal Society

The Newcomers Club of Granite City, an organization dedicated to helping new residents in the community feel welcome and to aiding charitable causes through various projects, has presented the Easter Seal Society a \$100 donation, representing funds earned by the club at a recent benefit event.

The gift was presented Friday by Mrs. Betty Schuster, Newcomers Club president, to Mrs. Janet Wilson, 2112 Garfield avenue, a member of the Society's governing board.

Mrs. Schuster said the money was raised during the annual "Charity Days Festival," held two weeks ago at the Nameoki Village shopping center. Club members sold a variety of gift items, including handicraft objects and clothing.

The donation will be used to purchase equipment or provide a partial scholarship for a handicapped child who attend the Tiny Tim Pre-School Center, sponsored by the Easter Seal Society at the Central Christian Church on Johnson road.

**Program in 3rd Year**  
The pre-school program, now in its third year here, prepares physically handicapped youngsters between four and seven years to enter regular classes in public school districts, Mrs. Wilson explained. About six children presently are enrolled at the local center.

A qualified instructor is provided by the Society with the parents of the participating youngsters paying tuition costs comparable to the family income. Cost of educating each child per school year is \$270, Mrs. Wilson said. She noted that the parents of one pre-schooler pay only \$30 per year, because of the family's income level.

The local pre-school center and similar facilities operated by the Easter Seal Society in

other Madison county communities are subsidized with public donations obtained in the annual door-to-door campaign, conducted each spring.

### Card Sales

Additional funds are contributed by individuals who purchase "Tiny Tim" Christmas cards each year, Mrs. Wilson said. The cards currently are on sale and may be ordered by calling the Society representative at 876-4484.

The Easter Seal Society also operates an equipment loan service, the board member advised. The service is available without cost to any handicapped person and further information can be secured by contacting Mrs. Wilson.

Mrs. Schuster reported that a similar amount to the latest donation was contributed by the Newcomers Club last year to a children's orphanage. The group presently has a membership of 45 women, who meet at 8 p.m. on the third Monday of each month at Bert's Chuck Wagon, 1337 Johnson road.

Any newcomer to the area is "more than welcome" to attend their meetings, or contact Mrs. Jean Andrews at 877-8319, for details, Mrs. Schuster commented.

### Parked Taxi Damaged

A taxicab which had been parked at the curb by Jackie D. Belland, Collinsville, was damaged in the rear at 10:55 p.m. Thursday when struck by an auto driven by William A. Parks, 25 Gareche Homes, Madison, at Third street and McCambridge avenue, Madison police reported. Parks said he was headed north on McCambridge when the lights of an approaching car blinded him, causing him to strike the parked cab. His car was damaged in the front.

## Census Bureau Seeks Home Buying Plans

Census Bureau representatives will take their quarterly survey of consumer buying and home improvement expectations in this area during October, according to Theodore F. Olson, director of the bureau's regional office in Chicago.

The survey is part of a nationwide effort to gather information used to guide federal agencies and other groups in developing programs based on consumer spending patterns. A sample of residents in this area will be asked if they expect to buy a house, car or major appliance during the next year and if they have any real estate purchases of these items. Homeowners will be asked about improvements in this area during October, and the survey will be repeated during the last three months and any planned for the future.

In the most recent survey of the series, taken in July, families in the U.S. indicated that their plans to buy new cars were about the same as they had been a year earlier, but that expectations to buy houses were off sharply from a year earlier. The survey also showed a continued high level of expenditures for household durables.

Households in the sample to be surveyed are not identified. All answers are kept confidential by law, and information obtained will be published only as statistical totals.

The Census Bureau representative in this area is: Mrs. Mary Lou F. Gallagher.

## Mrs. Sarah Sanders, Widow of Pastor, Dies

Funeral services were held Saturday in Boulder, Colo., for Mrs. John H. Sanders, 81, widow of John H. Sanders, a former pastor of First Presbyterian church here. Burial will be in Beaverton, Pa.

Mrs. Sanders died Thursday in Community Hospital there after an extended illness. She was born Sarah C. Bingham on Oct. 26, 1887, in Snyder, Pa., and married John Henry Sanders on April 3, 1912, serving with him in churches in Brooklyn, N. Y., Benton, Pa., Peekskill, N. Y., Canton, Pa., and Granite City before moving to Boulder, Colo., in 1955, where he served until 1948. In that year they moved to Vincennes, Ind., to continue their ministry there. After the death of Dr. Sanders in Whitehall, Ill., in 1957, Mrs. Sanders returned to Boulder to make her home.

She was a member of the First Presbyterian Church and an active participant in the various women's organizations as long as her health permitted. Surviving are six children: John Jr., of Hammond, Ind.; Mrs. A. A. (Mary) Huffstutter, St. Louis; Charles of Denver; Mrs. M. (Lous) Myers, Mrs. Edward (Eunice) Lundberg, and Jimmy, all of Boulder. There are ten grandchildren.

Also surviving are a sister, Mrs. Charles Sanders of Richmond, Va., and a brother, Rev. E. E. Bingham of Millington, Pa. Memorials may be made to the First Presbyterian Church in Boulder.

Funeral services will be held at 2 p.m. Saturday at the First Presbyterian Church in Boulder.

## Gun Dealer Indicted by U. S. Jury Denies Charges

Ronald Edwin Shafer, 23-year-old gun dealer of 4023 Redwood lane, was named in a six-count indictment returned by a federal grand jury at Springfield Thursday afternoon, charging violation of federal gun control laws.

The indictment charges Shafer with unlawful sale, transfer and possession of firearms and failure to maintain gun sale records. Specifically, the true bill alleged Shafer sold a .25 caliber automatic to a person who had served more than a year in prison, and sold another automatic to a person Shafer allegedly knew lived out of the state.

Shafer denied the charges and claimed he had been "under harassment" by federal agents the entire time he operated as a licensed gun dealer.

The U.S. district attorney's office at Springfield said the indictment also charges that Shafer, last February, transferred ten grenades without recording the transaction, and in December 1968, transferred nine other grenades illegally. In December, the bill charges, Shafer also possessed one grenade which was not registered.

A similar count of possessing an unregistered grenade is alleged in August this year.

**Heavy Penalties**  
The charges of unlawful sale and failure to keep records involve maximum penalties of five years imprisonment or \$5000 fine, or both, while charges of illegal weapon transfer and illegal possession carry maximum penalties of ten years imprisonment or \$10,000 fine, or both. The U.S. district attorney's office said.

At the same time, the federal grand jury returned the indictment of David Lee King, 20, of Granite City, and Jerry Allen Meadows, 25, formerly of Madison, on charges of draft delinquency.

Shafer said Friday the charges are unfounded and that he has operated as a licensed gun dealer in 1967 and 1968 he made no illegal firearm or weapon transactions. He said that he, where he maintained his gun shop, was raided last May 28 by about ten federal

agents who searched his shop and home for "destructive devices" which, Shafer said, consists of machine guns, bazookas or similar weapons, or parts for such weapons.

Shafer charged the agents confiscated 200 guns which included many guns that were collector pieces and not for sale. He said the agents also confiscated 45,000 rounds of ammunition, of which 40,000 rounds was in .22 caliber shells "for target practice and plinking."

Shafer claimed also that the agents confiscated his car.

**Grenades Deactivated**  
The only grenades he possessed were deactivated grenades used for training purposes "which can be bought through any gun catalogue," Shafer said the raid at his place failed to turn up any component parts for illegal weapons. He said he had a full set of records that were lost at an Edwardsville gun show and that he had notified federal agents of their loss. He said he had set on a new set of records prior to the raid, but there were no entries because he had made no gun sales since the loss of the old records.

King, who lives in the 2700 block of Harding blvd., was indicted on a charge of failure to report for civilian employment by direction of the Edwardsville Selective Service board after he had been classified as a conscientious objector. The district attorney's office said King had been ordered to report last April 15, according to the indictment.

The indictment against Meadows charges he failed to report to the draft board at Edwardsville for induction into the Armed Services. The district attorney's office said Meadows, who formerly lived in Madison, now is living in East Toronto, Ontario, Canada.

**Faces Conduct Charge**  
Philip Schoffra, 4301 Kirkpatrick Homes, was taken into custody at 22nd and Iowa streets Saturday night on a charge of disorderly conduct. He was released on \$25 bail for hearing Oct. 20.

## Daylight Time Runs to Oct. 26

Daylight saving time will continue until Oct. 26, when clocks are to be set back an hour to regain that hour's sleep lost last April.

Summer fast time ends traditionally at 2 a.m. on the last Sunday of October.

**Auto Hits Train**  
A Roxana motorist, Roy E. Carson, 57, escaped injury about 3:15 a.m. Saturday when his southbound auto crashed into a Terminal Railroad Association engine on Madison avenue at 14th street. Carson said he saw the red flasher signals go on; but when he put on his brakes, his car slid on the rain-slick pavement and crashed into the westbound engine. M. N. Logan of St. Louis was the railroad engineer.

**Crash on Maryville Road**  
Involved in an accident on Maryville road at St. Clair avenue Saturday afternoon were southbound autos driven by Vincent Bunyan, 2901 Saratoga avenue, who was charged with careless driving, and Charles Scanlan, 2416 St. Clair avenue.

### FIRST BAPTIST CLASS MEETS WITH MRS. HARP

The TEL class of First Baptist Church met Thursday at the home of Mrs. Pauline Hap, 2783 Washington Avenue.

Mrs. Vivian Mitchell, class teacher, gave the lesson, "Al-ways in Too Big a Hurry," deal- ing with tasks delayed until too late.

Members will aid state mis- sions, and plans were made for other projects during the year. Mrs. Harp, who is retiring as superintendent of Adult Depart- ment One, announced that Mr. and Mrs. Joe Larsen will be the new department heads.

The hostess served a late lunch to Mrs. Mitchell and Mes- dames Velma Christian, Fern Affolter, Barbara Shanks, Vir- ginia Head and Maureen Cox.

### JULY 12 CLUB MARKS 49TH ANNIVERSARY

The July 12 club met Thurs- day afternoon at the Round Table in Collinsville for an an- niversary luncheon, celebrating the 49th year of the club and to elect new officers.

Mrs. Kathryn Smithson and Mrs. Myrtle Ryan were re- elected president and vice- president.

Members were seated at a long table centered with a birthday cake, trimmed in fall colors. Favors at each place setting were artificial fruit heads filled with candy.

Prayer was offered by Mrs. Verna Moeble, Mrs. Marcelle Jung, a member of the club for 44 years, cut and served the cake.

The afternoon was spent play- ing pinch-ole, with prizes going to Mesdames Smithson, Alma Haldeman, Myrtle Bruns, Jean Barnes, Helen Love and Ryan.

Members chose secret pals for the year.

Mrs. Ryan has invited the club to her home, 2828 Sheridan Avenue, for the next meeting Oct. 9.

### GIRLS AUXILIARY DEBUT HELD AT THIRD BAPTIST

A Girls Auxiliary debut was held Thursday evening at Third Baptist Church, with nine-year- olds enrolling in the program. Those advancing to older, GA groups were honored.

A get-acquainted game was played, and Mrs. Doris Curmuit, GA director, welcomed all to the activities.

She announced that Mrs. Earlita Richardson will be the new GA director. Counselors in- troduced were Mrs. Nancy Henry and Mrs. Carolyn Sykes, for 9-18-year-old girls; Mrs. Ro- bert Lewis, 11-12; and Mrs. Peggy Short, Intermediate GA.

Slides of their trip to the Holy Land were shown by Mr. and Mrs. Anderson Hopkins.

Streamers of green and yellow were arranged down the center of the serving table, and a large gold crown was used as centerpiece. Smaller gold crowns were placed on the streamers.

Present were Marla Clark, Deborah Ramsey, Cathy She- monia, Beth Ann Richardson, Marianne Young, Nancy Beth Greer, Carol Henry, Ramona Clark, Cheri Fitzgerald, Pam Clark, Diane Greer, Colleen Fitzgerald, Cheryl Lewis, Patti Street, Lori Pendegrass, Gayla Clark, Terri Richardson and Janet Gauen.

Individual GA groups will meet with their new leaders Wednesday at 6:30 p.m. at the church.

### QUILTERS HONOR MRS. LUCILLE WEBB

Quilting Ladies of Nameoki Methodist Church met Wednes- day morning observing the birth- day of Mrs. Lucille Webb, who received a cake and gift from her secret pal.

Quilting and preparation of cancer bandages were partici- pated in by Mesdames Ena Pot- ter, Lucille Russell, Irene Nie- meyer, Glydas Russell, Viola Tornsborg, Dorothy Wallace, Marie Whittaker, Dorothy Sin- nee, Virgie Daniels, Vivian Guika, Evelyn Briggs, Violet Miller, Anna Alsop, Marie Long, Effie Vrenick, Essie Bucking- ham, Fran Reed, Mary Bailey and the hostess for the day Mrs. Alma Cowan.

### EFFECT OF EMOTIONS ON DIETING DISCUSSED

The Will Show 'Em club held a weekly meeting Thursday evening in the home of Mrs. Esther Reutzel, 2412 Pontoon road, and made plans to take measurements and review pres- ent bylaws at the next meeting.

Mrs. Oleva Little and Mrs. Frances Parsig were honored as "queens of the week" and received a jeweled tiara and basket of fresh fruit.

The leader, Mrs. Katherine Smith, presided and a report was given by the treasurer, Mrs. Reutzel. The group will

came as guest speaker Mrs. Michael Dalton, who spoke on "What Effects Emotions Play in Dieting."

Mrs. Mary Nemeth, mem- bership chairman, asked that all interested in joining the club contact her at 831-3205. En- tertainment was provided and prizes were awarded to Mrs. Sheila Stich, Mrs. Melba Gus- talson, Mrs. Eunice Dennis and Mrs. Reutzel.

Others present were Alda Yurko, Bernice Giergen, Jackie Schulte, Karen Cooper and Mar- gie Poole and Miss Naomi Love.

### GIRLS AUXILIARY GROUPS MEET AT SUBURBAN

The Girls Auxiliary groups met at Suburban Baptist Church Wednesday evening with their leaders.

The 9-10-year-olds met with Mrs. Jo Ann Terrell and Mrs. Edna Wood to study GA hand- books and participate in the evening's program.

The meeting opened with all singing the GA song, "There's a Story to Tell," and Terrell led the prayer calendar.

The 11-12-year-olds met with Debbie Thebeau, Debbie La- velle, Lisa Menyard, Suzy Thompson and Terry Griffing, new to the program, met with Mrs. Wood to study the hand- book's program.

Meanwhile, members present- ed "Modern Pioneers" under the direction of Mrs. Terrell. Taking part were Tami Terrell, Ruth Geggus, Lorene Miles and Lynn Coker.

A donation was presented to the church for the state mis- sions.

Mrs. Georgette Monical and Mrs. Wilma Wofford, co-leaders, for the 11-12-year-olds, met with their group, which prepared candy tray favors.

Susan Wofford read the prayer calendar, and opening prayer was led by Ruth Ann Fisher. Refreshments were served by Margaret Carryle and Carrie Cook.

Intermediate GA's, under the direction of Mrs. Shirley Schwendeman, completed plans for the next month. Diane Schwendeman opened the meet- ing with the prayer calendar.

Mrs. Schwendeman led a dis- cussion of forward step re- quirements. A pajama party was planned for next month.

Individual parts for a state mission play were given out by the leader. It will be given at the church Oct. 8.

Mrs. Schwendeman reminded the group of a Girls Auxiliary conference at the Meadow Heights Baptist Church, Collins- ville, Oct. 10, 11 and 12. Other members present were Rose- mary Lloyd, Karen Fisher, De- nise Driggers, Sheila Nash and Cindy Moser.

### CUB PACK 17 HOLDS SEPTEMBER SESSION

Cub Pack 17, sponsored by Marshall PTA, held its first meeting of the fall Wednesday night at the school.

Cubmaster Harvey Kief an- nounced that boys interested in joining may obtain information from Bob Peach, committee member in charge of recruiting and registration; his number is 877-2934.

Den Two, led by Mrs. Pat Shabe, no member, presented a flag ceremony, which was led by Robin Nunn, den chief.

The following received awards from the advancement chair- man, Bob James: Buddy Wat- kins and John Shable, wolf badges, and Dallas Nunn, gold and silver arrow points.

The cubmaster reported on a Cardinal baseball game attend- ed by 20 boys and four adults last week.

The "cubby award" was won by Den One, which had seven members present. Mrs. Althea Bugg is the den mother.

Den Two displayed plaster casts of animal footprints which they had made, and also "peep- hole boxes."

A new member, Ricky Wat- kins, was welcomed into the pack. Refreshments were served by Den One mothers, Mrs. Arlene Watkins, Mrs. Bugg, Mrs. Janet Kief and Mrs. Rosalie Harris.

The next pack meeting will be Oct. 29 at 7 p.m. and will fea- ture a "space derby," a father- son project. The boys are to build rockets from kits, and the finished products will be raced at the meeting. Chairman for the activity is Bob James.

Den project for October will be preparing costumes for "bus- cancer days." Den Two retired the colors.

### NAMEOKI SCHOOL PTA MEETING TOMORROW

MR. AND MRS. ANTON R. BECKER. Their wedding took place Saturday afternoon at First Baptist Church, Mitchell. The bride is the former Doty Sands.

## Miss Doty Jewell Sands Is Bride of Anton R. Becker

The wedding of Miss Doty Jewell Sands, a daughter of Mr. and Mrs. John E. Sands, 447 Highway 162, and Anton Becker, the bridegroom's cousin, was held Saturday afternoon at First Baptist Church in Mitchell.

Bouquets of fall flowers decorated the altar for the candle-light ceremony and white carnations and ribbon bows adorned the family pews. The Rev. Ralph Graycraft officiated at the 3 o'clock service.

The bride wore a floor-length gown of white lace with a square neckline edged with sequins and a full skirt. She carried a white orchid on a white ribbon.

The attendants were Miss Betty Sands, a sister of the bride, maid of honor, Miss Peggy Penrod, bridesmaid, Miss Becker, the bridegroom's cousin, and Bill Rosales, another cousin, best man and groomsmen.

The honor attendant and bridesmaid were in pink dotted swiss with Empire waists. Their flowers were pink carnations.

Adron Cahill, a cousin of the bride, and Terry Delbold, the bridegroom's brother-in-law, served as ushers.

The newlyweds have returned from a brief stay at the Lake of the Ozarks and are residing at 2940 Myrtle avenue, Apt. 6. The former Miss Sands is a 1969 graduate of the Granite City high school. Her husband is employed in St. Louis.

## Increasing Evidence That Schools Can Sidestep Year-Round Operation Only at Risk of Outrageous Waste

By GEORGE M. JENSEN  
Chairman, National Calendar Study Committee  
Former President, Minneapolis Board of Education

Can it be that school boards are about to put a stop to the outrageously wasteful and financially anachronistic way we allow our multi-billion dollar educational enterprise to stagger to a standstill and remain closed down for three expensive unproductive months out of every year?

It could very well be. The evidence indicates that the first real breakthrough in half a century for year-round use of schools may be just about here.

It started a year ago. In July 1968, The American School Board Journal published an article by Andrew Adams entitled "A Year-Round School Plan That Beats the Winter Vacation Syndrome."

Since then, developments have come so rapidly and so positively that the question of whether American education can ever again retain the 19th century notion of part-time use of schools has been described as one of the most difficult issues facing school boards today.

Hyperbole? Reserve judgment until you've examined the facts:

Item: The first national seminar on year-round school in the history of public education recently concluded in Fayetteville, Ark.

Item: The first statewide conference on year-round school ever sponsored by a state department of education was held in Tallahassee, Fla., this past spring.

Item: The first grants of state education funds to individual school districts for intensive study of year-round school have just been released in Michigan.

Item: The first serious request for federal funds to assist in the local implementation of year-round school, coupled with an appeal for the formation of a national task force on school calendar updating, has been made before the House of Education and Labor Committee in this term of Congress.

Item: The first relatively thorough and not completely negative publication on the subject by the National Education Association has been issued under the title "The Reconsidered School Year" (Research Summary 1968-52).

Item: For the first time, a national opinion poll of school superintendents, taken this past March, showed a majority of superintendents visualizing need for school calendar updating.

Item: A big-city school system—the first—has actually begun operating its high schools on a full-time, four-quarter plan with a completely updated and restricted curriculum: Atlanta.

Item: Several smaller school systems have publicly announced plans to go to full year-round programs within the next two years.

Item: Authorities such as George I. Thomas of the New York State Department of Education, Andrew Adams of the Office of Economic Opportunity, Reid Gillies of the Fulton County, Ga., public schools, W. Scott Bauman of the University of Oregon, the Information Services Department of the National School Boards Association, the National School Calendar Study Committee in Minneapolis, Mary Liebman of McHenry, Ill. (originator of the "12-4 plan") and others have been, in the past 12 months, simply swamped with requests from all over the nation for information and assistance.

Item: More than 600 school districts in the U. S. are currently involved in studying serious year-round plans.

Item: In addition, Illinois, Ohio, New York and Michigan, which now have enabling laws (of varying effectiveness), legislate activity is currently under way in at least nine other states—and in some states it has been ruled that no special legislation is required to permit a school system to alter its calendar and still receive full state aid.

Item: Organized groups of teachers in a number of states have set up committees to study the implications of various year-round school plans as they may hear on the teachers' professional status and income possibilities.

Item: The number of news stories on year-round school in the nation's press has, by actual measurement, substantially increased during the past 12 months and indicates the universality of interest across the entire country.

### Nameki Township Bill Paid Prior To Completion Of Adequate Verification

Payment of a \$2254 chemical bill in August after the Nameki township board in May voted specifically to withhold payment may be technically acceptable, judging by a legal ruling at a town board meeting last week. But, technicalities aside, it shows a lack of respect for the board of auditors and its role of establishing policy for operation of the township government.

In dismissing an appointed secretary and criticizing the elected supervisor, the elected board stressed its belief that the price of the chemical was excessive.

Whether or not the board is correct in this belief, it would have seemed reasonable to delay payment until the point could be further clarified. Or the board could have been allowed to stand or fall on the wisdom or lack of wisdom of its position, rather than "protecting" it from itself by going ahead with the payment.

Perhaps the town board should require additional signatures on all future checks, and so advise the financial institutions handling township funds.

### Lovejoy Monument An Outstanding Symbol Of The Value Mankind Places On Freedom

Refurbishing of the Elijah Parish Lovejoy monument, a 93-foot-high granite column topped by a 17-foot bronze statue of the Abolitionist, gives Madison county, the state, nation and world a beautiful and thought-provoking reminder of the principles for which the anti-slavery minister and newspaper publisher fought and died in 1837—freedom of speech, freedom of the press and the freedom and dignity of man.

Initially dedicated in 1897, the monument was rededicated last week by Governor Richard B. Ogilvie, aided by U.S. Senator Ralph T. Smith and other officials and citizens.

Many Quad-Cityans attended, and noted the role of the statewide organization in encouraging improvements in the appearance of a 16-block area surrounding the monument; somewhat similar neighborhood beautification efforts are being made locally by a variety of groups whose work will be coordinated by the Women's Division of the Chamber of Commerce of the Tri-Cities.

The winged statue of Victory crowning the main shaft of the Lovejoy monument and the eagles mounted on columns on either side eloquently express a sense of triumph over adversity and the freedom of the citizen, then or now—freedom. Full attainment of the objective could not be achieved during his lifetime, but the triumph is much nearer to realization due to his courage and the dedication to liberty of countless other Americans.

### Dramatic Increase Recorded in the Average Income of Local Families

(Granite City Long-Range Plan)

From 1950 to 1960, Granite City's median family income, according to the U.S. Census Bureau's statistical data, almost doubled and was considerably above that of the state and the nation.

However, during this period the consumer price index also rose to 126.5 (compared to 100 in 1950). This reduced the effective purchasing power by 48%.

Median family income rose from \$3881 in 1950 to \$6743 in 1960, a gain of 88.3%.

Similar figures included: Madison county, \$3490 to \$6343, 83.3%; from 485 to 2974; \$5000 to \$8999, 1200 to 3087, up 157.3%; \$3000-\$4999, 3650 to 1461, down 60%; and under-\$3000-income families, 2425 to 1181, down 51.3%.

Several factors have influenced the significant shift—inflation, increased productivity per worker resulting in increased U.S. labor force was a major factor, and because, as the Census Bureau says, "families whose heads were in the occupation group of professional, technical and kindred workers had the highest average income."

From 1950 to 1960, participation in these occupational groups increased 150% in Granite City.

Whether or not cloud seeding was less than that on the 96 days without cloud seeding to justify federal expending on large-scale cloud seeding operations—distinct from experiments—to alleviate water shortages is uncertain, say Jerry J. Brierley, director of the University of California at Berkeley, and Jerome A. Smith of the University of California at Berkeley.

Reporting on their statistical analysis of the Whitaker rain station experiment, these statisticians said that a 24-hour precipitation in six concentric regions up to 180 miles from the center of the target on 102 days of cloud seeding was less than that on the 96 days without cloud seeding.

Far distances less than 30 miles from the target, rain loss caused by seeding was 33%.

It is clear that cloud seeding can affect rainfall, but it may do so by increasing or decreasing it. Causes of the either increases or decreases are largely unknown. And since these are unknown, it is questionable whether weather modification technology exists at such a stage that it can be used to encourage further research.

## Amsted Industries Achieving Stability Plus the Potential for Continued Growth

The Quad-City community is blessed not only with independent industries but with plants which are part of nationwide manufacturing enterprises. A noteworthy example of the latter type is the American Steel Foundries, whose parent firm, Amsted Industries, was the subject of a series of articles in the Press-Record this month.

As was brought out, the Amsted decentralization policy delegates almost total authority to the ten operating companies to achieve efficiency and responsiveness to customer needs, with the central administrative group coordinating resources and basic goals.

This and growth, diversification and research programs have fostered the development of an enlightened managerial team and have given Amsted a unique combination—stable product lines coupled with the ability to enter many additional fields as consumer preferences and technology change.

The association between Amsted Industries and the Quad-Cities has been a happy one for two-thirds of a century, providing a sound basis for similar prospects in the future.

### Artificially High 'Low Bids' Under Attack by Illinois Attorney General

A high bid is fine from the standpoint of a contractor's business statement—if he is assigned the work. But low bids generally are best from taxpayers' viewpoint, which ought to prevail because they foot the bill and choose the officials who administer bidding.

When a high bid is made to appear low by illegal means, citizens are gouged but may realize it exists only in the state's conscience in their wallet pocket. Fortunately, light will be shed on the whole process in Illinois, by newly-signed laws sought by Attorney General William J. Scott and currently implemented by him.

The target is collusion in which suppliers or contractors carve up the state into individual domains. In such a situation, each always happens to submit the lowest quotation in his own territory and much higher proposals elsewhere, giving a surface appearance of proper procedure but avoiding actual cost-cutting competition.

Scott not only is enlisting the support of all state agencies, but is keeping the U.S. Justice Department informed and is asking municipalities and townships to contact his anti-trust chief on any questionable contracting circumstances they encounter while spending public funds.

Government seems likely to become more efficient and economical as a result of the new approach, which deserves widespread cooperation.

### Granite City, Venice Municipal Anniversaries Fast Approaching

When we sifted through Press-Record files to trace historical information in connection with Madison's diamond jubilee as a municipality in 1966, we also jotted down additional noteworthy anniversaries. All seemed far off at the time, but some are now approaching rapidly.

Five years after the 75th year observance in Madison, the city of Granite City will be three-quarters of a century old in 1971.

Venice will have cause to celebrate in 1972 or 1973, or both; in 1972 it will have been 75 years since incorporation of Venice as a city, and in 1973 it will have passed since the creation of the village of Venice.

Now that the decade of the 1970s is only several months away, it would be appropriate for all to begin thinking of ways in which such historic occasions could be commemorated.

## Procedure Outlined for Refunds Of Certain State Service Taxes

(Tri-City and Illinois Bar Associations)

Individuals or firms using the services of a repairman, druggist, graphic arts supplier, or tool and die maker—or companies and individuals operating in these fields—between Aug. 1, 1967 and March 27, 1968, may qualify for a tax refund.

The refunds will come from the nearly \$32.5 million collected under the 1967 amendments to the Illinois Service Occupation Tax Act, the Service Use Tax Act, and the Municipal and County Service Tax.

These laws imposed a tax on four categories of services and goods furnished by retailers. They include:

- A. Druggist selling drugs or medicine as registered pharmacists; druggists on the prescriptions of licensed physicians or other persons qualified to issue prescriptions.
- B. Repairman repairing, renovating or reconditioning tangible property.
- C. Graphic arts retailers or retailers from related occupations.
- D. Tool and die makers selling specially-made machines, dies, gauges, jigs, patterns, gauges or other specially-made tools or equipment.

The amendments were later declared unconstitutional in the Circuit Court of Cook county because they taxed only four categories of the service industry in Illinois while exempting all others. The decision was upheld by the Illinois Supreme Court.

Two groups of people have until Dec. 1, 1968, to apply for a tax refund from the \$32.5 million collected.

One group includes the customers of any of the four businesses, if they were charged a service tax. In addition, service men—retailers, repairmen, etc.—may file if they paid the tax themselves instead of passing it along to their customers.

A purchaser requesting a refund must file a separate claim for each service man to whom he paid the tax.

The form is entitled "Claim for Refund—Purchaser."

If the total purchases on a single claim form exceed \$200, for which a tax of \$10 or more was paid, the transaction must be verified by the service man.

When such verification cannot be obtained, this should be indicated on the form and the service man's state registration number must be included to facilitate processing.

Service men must file a blue form entitled "Claim for Refund—Service Man." This form must be signed by the service man or by his authorized officer or representative.

Claimants may obtain forms, instructions with samples, and envelopes at most state and national banks. They will also be available at the offices of the state's Department of Revenue, which will also be available in completely and mailed to "Illinois Tax Refund," P.O. Box 260, Chicago, Ill. 60626.

The bank is also operating a "Tax Refund Information Center" where individuals, persons and telephone calls (312-621-6845).

### BILLIONS OF DOLLARS BEING SPENT FOOLISHLY

To the Editor:

We believe, the following statements are facts:

1. There is not one person in the world who should use tobacco in any form.
2. There is absolutely no one in the world who should use narcotics in any form.
3. No one should give himself or herself to the use of narcotics.
4. Every person without exception as regards these deadly poisons should be a total abstainer.
5. We should at this hour have a prohibition law and faithful enforcement of the same.
6. Anybody who gives support in any way to these evils will destroy, perhaps unwittingly, human life.
7. There is no one in the world who can disprove any one of the above statements.
8. Somewhat recent reports say we spend much of our money very foolishly: \$22 billion for crime, \$20 billion for gambling, \$12 billion for alcoholic beverages, \$7 billion for tobacco.
9. At the same time only \$11 billion was spent for milk and other dairy products, and only \$5 billion for religious and welfare activities.
10. Does readers think it ought to be so?
11. What kind of world do they want their grandchildren to have? Think and pray. It is the Good Book that says, "Wine is a mocker, strong drink is raging, and whosoever is deceived thereby is not wise." Prov. 20:1.
12. Everyone should keep in mind the implied consent bill. It should pass at the next session of the Assembly.

## 50 YEARS AGO

SEPTEMBER 29, 1919

Heavy rain flooded local streets and basements and damaged crops of goods at stores. Streets paved with wooden clogs floated away; two or three blocks of G street floated to Madison avenue, and their restoration is to be the topic of a special city council meeting. Car service on the Yellow Line was halted; the McKinley Line was delayed for several hours due to a cave-in involving the new sewer which is being constructed.

Madison County School Supt. Hugh T. McCrea has scheduled the annual Institute of the Madison County School Teachers Association for Oct. 29-30-31 at Alton high school.

## 25 YEARS AGO

SEPTEMBER 29, 1944

Speakers at the Labor Temple included U. S. Senator Scott W. Lucas; Thomas J. Courtney, court county state's attorney and Democratic candidate for governor; Earl Marshall (Emily Tait Douglas), candidate for Illinois Congressman-at-large; Casimir Grigik, candidate for clerk of the Illinois Supreme Court; Earl Marshall, candidate for U.S. House of Representatives.

A capacity gathering of 700 heard Lucas urge that voters retain national legislative leaders, proven through wartime service, to assure a lasting peace. Courtney pledged for reduction of the sales tax and an increase in old-age pensions.

### Three GCHS Seniors Commended on Tests

Letters of commendation honoring them for their high performance on the 1969 National Merit Scholarship Qualifying Test have been awarded to three seniors at Granite City high school. It was announced today by L. C. McCauley, principal.

The students are Patricia M. Hayes, Thomas S. Kreshok and Kenneth C. McGee.

They are among 39,000 students in the United States who scored in the upper two per cent of those who are expected to graduate from high school in 1970. The commended students rank just below the 15,000 semifinalists announced this month by the National Merit Scholarship Corp.

Edward C. Smith, NMSC president said: "Although commended students advance no further in the merit scholarship competition, their outstanding record in a nation-wide program deserves public recognition. Their significant achievement attains promise of continued success in college."

Their names are reported to other scholarship-granting agencies and to the colleges they named as their first and second choices when they took the test last February.

### 'Firemen's Ball' Set Saturday at Venice

Tickets still are available at all Granite City firehouses for the 14th annual "Firemen's Ball" to be sponsored Saturday evening at the Venice-Madison American Legion Dugout, 740 Broadway, Venice, by the Granite City fire department.

Dancing will start at 9 p.m. Saturday, with music furnished by Art Fickinger and the Sundowns. Tickets costing \$1 each also may be purchased from individual firemen, or at the door the same night.

Engineer Charles Farrell, chairman of this year's benefit event, said that proceeds derived from the ball will be added to the Firefighters Relief and Welfare Fund which aids the families of firemen who may be injured or otherwise incapacitated.

Serving on the arrangement committee with Farrell are Assistant Chief Charles Hileman, Engineer William Patterson and Fireman Walter Schmidtke. About 500 Quad-Citizens attend the ball each year, Farrell said.

### Three-Auto Accident

Upon pulling away from a stop sign, the right side of an auto driven by Silk Sourjohn, 7315 Roosevelt street, was struck by an auto driven by Ellen Lewis, 2812 Emme street, at 8:40 a.m. Friday at Denver street and Nevada avenue. The Sourjohn auto then swerved into the left front of a car driven by Irvin Egbert, 3108 West 20th street, who was observing a stop sign. Sourjohn was charged with a right-of-way violation.

SCOTTISH RITE NEW CATHEDRAL which is to be opened in 1970 in Belleville at a cost of about \$2,500,000. Funds are being

provided by the members of the Masonic organization who comprise the southern Illinois jurisdiction.

## Fund Campaign Under Way For Scottish Rite Cathedral

A new Scottish Rite Cathedral will be constructed at North 57th street and Highway 161 in Belleville in 1970, through an organized fund campaign in southern Illinois.

Estimated to cost \$2.5 million, the new cathedral will replace the present Scottish Rite Temple, constructed in 1911 in East St. Louis. The present building is no longer large enough to accommodate the meetings and functions of the organization.

Funds for part of the overall cost are expected to be raised from more than 8700 members who comprise the Masonic Scottish Rite Bodies, Valley of Southern Illinois. Available bonds and a bank loan will provide the balance.

According to Robert B. Perkins, general chairman of the new cathedral, will contain a 1200-seat auditorium and a 1200-seat dining room, with office space and meeting rooms and parking facilities for 400 cars.

The huge Masonic complex will feature an unusual architectural attraction with a domed lobby to be accented by ornamental plaster. A fountain under the dome will be

illuminated with contrasting gold lights. The exterior itself will be completely surrounded by a colonnade.

Roy L. Wilimzig Jr. of Granite City, area two fund chairman, has enlisted the aid of William J. Mehl of Granite City and Leon Gimmy of Wood River, as his division leaders for the area which includes seven counties—Bond; Calhoun, Greene, Jersey, Macoupin, Madison and Montgomery—with 1585 members.

The division leaders will be responsible to enlist Section Leaders for their area, who will serve as members of the advance gifts solicitation committee.

Tentative agreement has been reached on a new three-year contract for members of Retail Store Employees Local 435 which will be submitted to the union membership for ratification in a meeting at the Labor Temple Thursday night. It was reported today.

The contract covers wage issues and improved fringe benefits for about 250 members of the union employed as clerks in Quad-City area grocery stores.

The proposed agreement has been approved by the Union negotiating committee, which will recommend its adoption in Thursday's meeting, a union source reported.

Details of the agreement were not disclosed pending the membership meeting. The contract covering about 450 retail clerks of other stores does not expire until next year.

Rep. Vadabene on Special Committee

State Rep. Sam M. Vadabene (D-Edwardsville) has been appointed to serve on two special committees created during the last session of the General Assembly, one of which was established under a resolution sponsored by the representative.

Vadabene was named a member of the House Committee to Study Rural Telephone Service, created by his resolution, and was appointed a member of the Joint Senate-House Committee to Investigate the Effect of Interest Rates on Credit.

### Two GC Fathers Named U. of I. Dads Chairmen

Don O. Kinney, 2639 East 23rd street, and Ray Shaw, 2210 Garfield avenue, were named Madison county co-chairmen of the Dad's Association of the University of Illinois for 1969-70. It was announced by William J. MacKinnon of Chicago, association president.

They serve the university as grassroots representatives for the association's 6500 members, and at the community level they are looked on by many parents of students and other citizens as quasi-official spokesmen for the university.

As part of U. of I. Dad's Day activities, the chairmen will meet Oct. 19 on the campus to hear reports and make plans for the association, and on Oct. 21 will host a morning meeting held for all parents as part of Dad's Day activities. Gov. Ogilvie will speak at the meeting.

### Highway Guard Rail Is Granco Product

Few Quad-City motorists even notice the many miles of steel guard rail along the nation's highways and interstate routes, but realize that much of the rail is a product of Granite City Steel Co.

Granco Steel Products, a Granite City Steel Co. subsidiary, is a major supplier of steel guard rail which helps keep tragic accidents at a minimum. Guard rail often prevents a car from plunging over an embankment or from crossing in a median, causing a head-on collision.

Despite the government's cutbacks in federal construction projects, many highways will be being completed in the metropolitan area and are using guard rail produced by Granco.

Among these are sections of Interstate 44 from 1244 to Birden road; U. S. Highway 40 west of I-255; and Interstate 70 which is being widened between Brown road and Florissant road. Most of the projects use Granco's 12-gauge material.

Chaney Fence Co. is the major contractor erecting Granco guard rail in this area. Missouri's highway maintenance division buys all its replacement rail from Chaney.

GC Boy, 12, Beaten

Mrs. Robert Dietl, 2915 Harding blvd., reported at 6:45 p.m. Thursday that her son, Eugene, 12, was beaten by three boys for no apparent reason. He suffered bruises and abrasions to the body but was not seriously hurt. Named as his assailants were 12, 15 and 16-year-old boys.

### Yule Mail Call Lists To Start for 4th Year

Again this year, the Press-Record will undertake to compile a list of Quad-City military personnel for publication in the series of "Yule Mail Call" lists, starting in early October.

The pre-Christmas public service has drawn excellent response the past three years, with more than 1700 names and addresses of area service men and women submitted.

Relatives and friends of local Armed Forces members serving overseas or at bases in the U.S. are invited to provide the serviceman or woman's name and address for inclusion in a "Yule Mail Call" list.

Those submitting names should include the serviceman's rank, serial number and full address, including APO and FPO when applicable, and mail the information to Yule Mail Call, Press-Record, 1815 Delmar avenue, or bring the address written on a slip of paper to the newspaper office.

Persons furnishing a name are asked to identify themselves

on the postal card, letter or paper slip, in the event verification of unit information is necessary. If desired, the area of overseas service may be written in parentheses following the official address.

It is hoped the pre-Christmas season by enabling local residents, clubs, church and school groups, or civic or service organizations to send Yuletide greeting cards, letters, or gift packages to the servicemen of their choice.

R-O-W Charge Filed

A charge of failure to yield right-of-way was placed against Roger D. Poe, 2433 Logan street, following a two-car accident Saturday afternoon at West 26th street and Missouri avenue. The other driver was Edward Johnson, 1713 Spruce street, police said.

### Mrs. Ruth Oliphant, 63, Dies of Cancer

Mrs. Ruth Oliphant, 63, of 2222 Benton street, a housekeeper, died about 10 a.m. Friday at the Chastain Nursing Home in Highland. She had been ill with cancer since last November and had been a patient at the nursing home for three weeks.

Mrs. Oliphant was a native of Princeton, Ind. She was a member of St. Joseph Catholic Church. There are no known survivors.

Funeral services were held this morning. Further information is given in today's obituary column.

### 2 GC Student Nurses At Alton Hospital

Miss Alice Carbone, a daughter of Mr. and Mrs. John Carbone, 3045 Dale avenue, and Miss Karen Cowan, whose parents are Mr. and Mrs. Maurice Cowan, 3140 Carlson avenue, are among 20 nursing students registered for the 1969-70 academic year at St. Joseph's School of Nursing in Alton. The two local students will receive their nursing courses at St. Joseph's and their science courses at Southern Illinois University-Western campus.

### LIST WITH COCHRANE "ITS SOLD"

Gov. Richard B. Ogilvie has released \$171,733 to improve pleasure boating facilities at Pere Marquette State Park and at the Piassa Creek Conservation Area near Grafton.

The boat harbor at the park will be dredged to provide a minimum of six feet of water when the Illinois river is at its normal stage. A sheet steel culvert breakwater will be constructed at the entrance of the boat harbor to prevent silt from accumulating in the harbor.

The parking lot at the harbor will be resurfaced with bituminous material. More than 150 spaces are provided for cars and boat trailers at the lot.

The entrance to the launching ramp at the Piassa Creek Area will be excavated. A breakwater similar to the one planned for the park harbor will be built on the upstream side of the ramp to divert flood waters from Piassa creek away from the ramp. During periods of high water the creek deposits large amounts of silt and debris around the ramp.

The Calhoun County Construction Co., Springfield, was awarded the contract. Work will begin immediately and all phases of the project should be completed by Dec. 1. Monies for the project are derived from the State Boating Fund, supervised by the Department of Conservation.

### Sales Tax Suit Filed

The Illinois Department of Revenue has filed suit for \$187,712, including penalties and interest, against Thomas Gushelf, doing business as The Den, in Madison county circuit court at Edwardsville. The state alleges the amount is due as unpaid sales taxes for the period from December 1966 through May 1967.

### Dixon Attacks Veto of Voting Machine Bill

Gov. Ogilvie's veto of a Senate bill that would have required four Illinois counties, including Madison, to install voting machines or other electronic devices was described by State Sen. Alan J. Dixon (D-Bellview) as a "callous political decision demonstrating his insincerity on the issue of fair and clean elections in Illinois."

The legislation, Senate Bill 242 sponsored by Dixon, was overwhelmingly approved by the General Assembly but was vetoed down by the Republicans. Originally the bill would have required use of voting devices in all counties by November 1974. As approved the bill required installation of such devices by November 1974 in all counties of more than 200,000 population.

The legislation would have included Madison, Will, Kane and DuPage counties. St. Clair county now uses voting machines.

"The governor's reason for vetoing the bill because the deadline date is too restrictive—that five years isn't enough time for the counties—is incredible," Dixon said. "If Illinois followed the governor's timetable for progress we would still be using gas lights in the Capitol," he added.

### 4 Granite Cityans Among GC Steel Co. Retirees

Four Granite Cityans are among six employees of Granite City Steel Co. who retired recently after long service records with the plant, or are scheduled to retire soon.

Among the retirees are Edward McKinney, 1406 Iowa street, who retired as pipe shop general foreman after 40 years continuous service with Granite City Steel. He started with the company in the old tin mills

and had a prior period of service from 1924 to 1928. McKinney, who has two sons, a daughter and five grandchildren, plans to go into the auto business. He is 59.

William Pennock, 2811 Washington avenue, retired as an armature winder in the electrical department after 42 years of service. Pennock, who is 72, formerly was an electrical trouble shooter on cranes in the Open Hearth shop. He and his wife, Mrs. Katie Pennock, have two children and five grandchildren. Pennock plans to pursue his hobbies of fishing and flower gardening.

Had 20 Years Service Harry Hunter, 65, of 2332 Iowa street, has retired as a blast furnace stove tender after 20 years service. Hunter had a period of service in the old sheet mill and pickle line. He is a widower and has one son and one daughter. He said he plans to catch up on his favorite pastime of hunting and fishing.

Mark Matthews, 2427 Illinois avenue, will retire next month as a hot rolled finishing chainman after 20 years service. He worked on the shear on the old plate side in his first years with the company. He and his wife, Mrs. Thelma Matthews, have two children and six grandchildren. Matthews, who is 64, plans to fish and travel.

Other recent retirees include George Weigle, 65, of Affton, Mo., who retired after 22 years service which he began as a machine shop foreman, and Al Straker, 63, of New Baden, Ill., by Rev. Thomas Treese, chaplain. A dinner was served after the meeting.

Plans were reviewed by Norman Owa, treasurer, assisted by William Morris, outgoing treasurer; Edward Lenzi sr., secretary; and Stephen Salitch Jr., John Tritschuh and Paul Mosby, trustees for three-year terms.

## Local Youth to Become Missionary in Philippines

Dedicated people who serve as foreign missionaries will be joined by a Granite City youth. Thomas Bosley III, son of Mr. and Mrs. Thomas Bosley, 2578 Boyle avenue, who departed Saturday for two years of missionary work in the Philippine islands, will finance himself for the privilege of serving in the mission field.

The 19-year-old youth said this week he expects the challenge "to be a very happy and interesting experience which will help me to grow spiritually, physically and emotionally."

The 1968 Granite City high school graduate is the first youth to be selected for foreign missionary service from the Church of Jesus Christ of the Latter Day Saints in Fairview.

The Mormon church, organized here five years ago, now has a membership of 800 area residents from 289 individuals, including about 150 families, in Granite City.

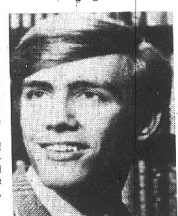

The Bosley youth moved here with his family in August 1968 from Huntington, W. Va., when his father became manager of Air Products and Chemical Corp. plant here.

While in Huntington, he prepared for future missionary work by taking a three-year seminary course. To complete the instruction, he attended classes from 6 to 7 a.m. daily, before starting his regular school studies.

The youth was recommended for overseas mission work by Melvin T. Gillie of Granite City, Bishop of the area's Mormon church. He was called to serve after interviews and a review of his qualifications by church leaders in Illinois and Mormon Officials in Utah.

Prior to leaving for Manila next Wednesday, Tom will travel at his own expense to Salt Lake City, Utah, headquarters of the Mormon faith, where he will be ordained a teacher in the religion before departure overseas.

Noting that about 70% of the Philippine islands speak and understand English, the youth said it is not required for the individual missionary to speak

**THOMAS BOSLEY III**  
New Missionary

the native language to serve in that area. Greetings and other phrases in Tagalog, the native tongue, are taught the newcomers.

He will undergo a month of orientation and training in Manila before being assigned to work with a senior missionary in the field. He said the two-man teams visit the islands in their homes and present the story of the church to family groups.

During the first year, most new missionaries are assigned to the more civilized areas, with those showing aptitude sent to work in the highlands and remote regions.

Commenting on the fact that Mormon missionaries support themselves while serving abroad, Tom said, "I don't expect the cost of living to be nearly as high as here at home."

For the past few months, he has been earning money to finance himself by working part-time in the camera supply department at W. T. Grant's store in Nameoki Village shopping center.

The Bosley family is happy that their oldest son has been chosen for missionary teaching and the youth said he would like to see his younger brother, David, now eight, have the same opportunity when older.

Mr. and Mrs. Bosley also are the parents of three daughters, Patty, 17, Liz, 11 and Cathy, nine years.

#### Over Fall of Store

A suit for \$100,000 has been filed for Shirley Subling against A. Tessler & Son Inc., doing business as The Fabric Shop in the Nameoki Village shopping center, and Elwanda Beasley, store manager, in Madison county circuit court at Edwardsville.

The complaint alleges that the plaintiff was injured when she slipped and fell over a floor mat at the store entrance on Aug. 22, 1968. Negligence was charged.

### John Hundley Named Commission Chairman

John R. Hundley Jr., vice president, industrial relations of the Granite City Steel Co., has been elected chairman of the Civil Service Commission of the Metropolitan St. Louis Sewer District.

Hundley succeeds as chairman Budd Reinhold, vice-president for personnel of Southwestern Bell Telephone Co., who has resigned from the commission because he moved his residence outside the district boundaries, making him no longer eligible to serve. Hundley's term will run for one year.

Joseph P. Clark was elected vice-chairman to succeed Hundley in that position. Clark, retired president of the St. Louis Labor Council, AFL-CIO, was appointed by the MSD Board of Trustees last month to succeed Reinhold as a commission member.

The new chairman was named by the board in July 1967 as a member of the three-member commission, which serves in an advisory capacity in all matters relating to the district's civil service system. Its members serve without salary, receiving only nominal pay for each regular meeting.

Hundley has fulfilled his present functions with Granite City Steel since March 1947, with responsibility for all phases of industrial relations, personnel, public relations, employment, training, employee relations and related programs. He has been prominent in professional activities in his field, and in 1959 was the recipient of an award for "Most Outstanding Contribution to Industrial Relations."

You don't  
have to get  
fightin' mad!

But it helps to be determined! With the high cost of living it takes a lot of determination to make regular deposits. So, put your foot down and start today . . . and forget about fighting.

Mrs. Anna Nebesnyk, 63, of 1817 Rhodes street, Madison, was pronounced dead upon arrival at 7 a.m. yesterday at St. Mary's Hospital, East St. Louis, where she was taken by ambulance from home. She was married. She was a member of St. Mary's Orthodox Church of Bend.

A resident of Madison more than 42 years, Mrs. Nebesnyk was born in Plesantville, Ohio. She was reared in Bend, Ill., where she and her husband, Andrew Nebesnyk sr., who survives, were married. She was a member of St. Mary's Orthodox Church of Bend.

Mrs. Nebesnyk also is survived by one son, Andrew Nebesnyk jr., of Danville, Ill.; her mother, Mrs. Anastasia Komansky of O'Fallon, Mo.; three brothers, Mike Komansky of Urbana, Walter Komansky of Gillespie, Ill., and Dr. William Komansky of O'Fallon, Mo.; four sisters, Mrs. Mary Tresch of Arnold, Mo.; Mrs. Lucille Zakrewicz of Carlinville, Mrs. Helen Rankin of O'Fallon, Mo., and Mrs. Dorothy Villa of Gillespie, and three grandchildren.

Funeral arrangements are given in today's obituary column.

## Lloyd Deloney, 41, Dies Sunday Morning

Lloyd Richard Deloney, 41, of 201a Madison avenue, a lifelong resident of the Quad-Cities, died at 11:45 a.m. Sunday at St. Elizabeth Hospital where he had been taken a few hours earlier.

He was employed at General Steel Industries as a switchman, and had served a tour of duty with the U.S. Army.

Survivors include three brothers, John Deloney, Troy, Elmer Deloney of Tilton, Ill., and William Deloney of Madison; and one sister, Mrs. Alex (Ruby) Kostick of Madison.

Funeral arrangements are given in today's obituary column.

## Parked Car Damaged

A parked car owned by Helen Anderson, 615 Salvester street, Venice, was damaged in the right front about 9:30 p.m. Sunday when it was struck by a hit-and-run auto on Broadway near the railroad tracks, Venice police reported.

## MHS Class of '31 Hold Reunion

The annual reunion of the class of 1931 of the Madison high school was held at a Travelodge in St. Louis, Mo., Saturday and Sunday. The motel is owned and operated by one of the class members, Lloyd Williams.

Mrs. Ernel Williams gave the invocation at a banquet and Frank Wondra, class president, conducted a business meeting, during which the minutes of the last reunion were read by Mrs. Williams. Mrs. Gladys Zentgraf and Mrs. Nellie Hrysko were committee members appointed and a brief memorial service was held for deceased members.

Mrs. Margaret Michels, who was in charge of entertainment, led the group in a sing-along and awarded prizes to Mr. and Mrs. William Parker of St. Petersburg, Fla. for traveling the farthest, and Mr. and Mrs. Ralph Adams, who have the most grandchildren. Dr. Vasil Vasileff and Mrs. Williams met at Vasiloff's show movies of the first class reunion and also pictures which he had taken in Bulgaria.

Those attending were Mr. and Mrs. Paul Dander of East Moline, Ill.; Mr. and Mrs. Ralph Adams of Indianapolis, Ind.; Mr. and Mrs. Zolowski of Evansville, Ind.; Dr. and Mrs. Vasiloff, Mr. and Mrs. John Michels, Mr. and Mrs. August Sacadat, Leonard Miller, Mr. and Mrs. George Filloff Miller, Mr. and Mrs. Curtis Williams, all of Granite City; Mr. and Mrs. C. D. Smith of Edwardsville; Mr. and Mrs. Mike Hrysko, Mr. and Mrs. Adam Zentgraf, Mr. and Mrs. John Michels, Mr. and Mrs. Melvin Lee of Madison, sister-in-laws were Mr. and Mrs. Joseph Grist, a brother and sister-in-law of the Lloyd Williams.

The next meeting will be held at the same place in September 1970.

Another member, Everett McGraw, called from his home in California. He plans to attend the 1970 meeting.

## Muffler Charge Filed

Charges of driving with improper mufflers were filed Friday against Troy E. Coleman, 2240 Jefferson avenue, at Naameki and West Ponton roads, and Joseph H. Perigan Jr., Rural Route One, at Madison avenue and Naameki road.

## Tail Light Charge

Carrie D. Divietro, 2804 Dale avenue, was ticketed at 9:35 p.m. Friday for driving without tail lights at 18th and State streets.

## Committee Formed to Oppose Incorporation

A group of citizens met Friday evening at the home of Mr. and Mrs. Charles Delpo to discuss and formulate plans to block further incorporation attempts. Incorporation election in the Chain of Rocks road vicinity were defeated by residents in 1968 and 1969.

Convinced that proposed village boundary lines were adjusted by proponents in an effort to obtain incorporation approval, the group of opponents decided on a program which will include studying such procedures and keeping the public informed of any future developments.

For needed legal advice and representation, the committee suggested raising of funds, recruitment of members and encouragement of cooperation by neighbors and friends.

The discussion brought out that an annexation bill, House Bill 1241, supported by realty officials, is still in General Assembly committee. It was decided to write letters against the bill to state senators and representatives.

The committee agreed to meet regularly and to take an active role in blocking incorporation of a village by special interest groups.

## Slip Sign Charge Filed

Clemon D. Holtzworth, 2021 Cleveland blvd., was ticketed on a stop sign violation at 22nd and State streets at 11:45 p.m. Friday.

## One-Way Street Charges

Charges of driving the wrong way on State street, a one-way street, were filed Friday afternoon against Lucille Lipe, 1735 Ponton road, and Daisy M. Adams, 1618 Second street, Madison.

## Disobey Officers

Linda B. Calvo, 3254 Westchester drive, was charged with disobeying a police officer directing traffic at Jil avenue and Naameki road at 8 a.m. Friday.

## Two Radar Arrears

Linda K. Sexton, Troy, and Michael L. Wallace, 2178 Northland avenue, were issued speeding tickets Friday morning as police operated a radar unit at 2700 State street.

## Guilty Verdict Returned in Local Robbery Case

Willie Gray, 24, of 207 Allen street, Eagle Park Acres, was found guilty by a jury Thursday of armed robbery. The trial was in Madison county circuit court at Edwardsville.

Gray was charged with robbery at Ermadecan's tavern, 106 State street, Madison, last June 1. He has 30 days in which to file post-trial motions. Charged with him in the case was Eugene "Snake" Sanders, 21, of 206 Watson street, Eagle Park Acres. He was not on trial last week.

Meanwhile three other defendants indicted for area crimes pleaded not guilty during arraignments last week, and another was listed as a fugitive.

Arraigned were Harold Vaughn, 633 Jefferson avenue, Venice, and Douglas E. Res, 3912 Gaslight Walk, charged with arson, theft and burglary of Gassen's drug store at the time the store was set afire; and Len Eugene Des, 2719 of Kirkpatrick Homes, last July 4, at the Curve Inn tavern.

Dees is an associate of Terry Thweatt, area hoodlum, whose teenage son had been shot and killed. Wallace, who recovered from bullet wounds to the abdomen, had been charged with the murder of young Thweatt but was acquitted by a jury.

Listed as a fugitive was Billy Burton, 3304 Wabash avenue, charged with burglary at a service station last May. He failed to appear for arraignment.

Jury trials are tentatively scheduled for Oct. 6 or 7. James Durham, State Park Plaintiff, was sentenced to a term of two to four years in Menard state penitentiary after he was found guilty of armed robbery in the terrorism of an aged Venice couple last February.

John Kesterson, 18, of 1548 St. Clair avenue, charged with theft of an auto last June, was placed on three years probation. He was AWOL from Fort Knox and was turned over to military authorities.

Two years probation were granted to Thomas Weston, 18, of 1012 Calhoun street, Venice, charged with burglary, and Richard Wilkerson, 18, of 2155 Waterman avenue, charged with theft.

A probation hearing for Ronald Davis, 17, of Rural Route Two, was continued until Oct. 10.

Charges were dismissed against Jasper Wright, 17, of 1229 Biassell street, and Jack Ford, 17, of 1121 Market street, who were indicted on two counts of sexual assault and one count of conspiracy involving two boys, 10 and 14 years old.

## Price Amendment to Military Bill Ok'd

The House Armed Services Committee at Washington has approved unanimously an amendment by Cong. Melvin Price (D-East St. Louis) to the military spending bill made public today, which would strengthen congressional control over Department of Defense activities.

The Price amendment makes it mandatory for the Defense Department to "keep the House and Senate Armed Services Committees fully and currently informed with respect to all of the department's activities."

Cong. Price said the purpose of the amendment is to increase the flow of information to the committees about the Defense Department's activities. In particular, he said, "it will change the present situation where the committees receive piecemeal information at varying stages."

## 25 Education Exhibits For Teachers Tuesday

Twenty-five exhibits will be on display at Nidringhaus school from 8:30 to 9:30 p.m. tomorrow for metropolitan area teachers and school administrators. Miss Virginia Segar, reported today, is president of the Granite City Branch of the American Association of University Women.

The educational materials showing—comparable to those at national education conventions—is being sponsored by the AAUW and Granite City board of education. Segar said the services help fulfill the AAUW purposes, Miss Segar noted.

Both elementary and secondary materials will be shown, including new teaching methods, teaching aids, art, social studies, language arts, mathematics, library books and visual aids.

## Anti-Pollution Drive To Be Meeting Topic

An all-out statewide effort to secure signatures of all citizens on petitions urging enforcement of laws prohibiting air and water pollution in the state of Illinois will be launched Sunday at Springfield in a meeting of the Concerned Citizens for Clean Air and Water, a state organization headquartered in Chicago.

The session, which will be attended by representatives of civic, fraternal, educational, labor and business groups, will be held in the Holiday Inn beginning at 12:45 p.m. George Aronold, Consultant on Environmental Science, at Southern Illinois University-Southwestern campus, will be among the speakers.

## Five Persons Arrested On Liquor Charges

Jim Richey, 2111 Delmar avenue, was charged with illegal transportation of liquor, and four other persons were charged with illegal possession of liquor at 11:15 p.m. Friday at West 20th street and Illinois avenue. The others are Billy Johnson, 1711 Edison avenue; Terry Tinsley, 2010 Illinois avenue; Kenneth Holobaugh, 2111 Delmar avenue; and William H. Clark, 2010 Illinois avenue. They were released on notice to appear in court today.

## Auto Windshield Cracked

Lester Spray, 2335 Lincoln avenue, reported at 9:10 a.m. Saturday that someone cracked the windshield of his 1965 auto parked in his driveway during the night.

## Product Safety

Because today's consumer is faced with many product hazards, the National Commission on Product Safety has been established to study the problem.

The Commission's concern involves these three areas: causes of household accidents; the adequacy of a producer's safety standards and enforcement of consumer-protection laws. At present more than 250 product categories are on the list to be scrutinized. When the Commission has finished its investigation, the President will be given a full report with recommendations.

Findings by the Commission have already brought about changes. Some producers voluntarily made their products safer. Legislation has been enacted in several instances or is being proposed. For example, the Federal Housing Administration now requires nonshatter safety glass in glass panels and doors in FHA-approved houses.

Another hazard being examined concerns the lack of information on what constitutes "improper handling" of glass fiber curtains, draperies and window and upholstery materials.

At present the Federal Trade Commission requires a label stating that skin irritation may result from improper handling. But consumers may need to be made aware of the problems associated with keeping glass fibers from contaminating other washable fabrics in the family laundry.

The establishment of product standards based on reliable testing will help to eliminate some of the safety problems facing consumers.

**Temperature and Chocolate**  
Although gray or white spots mark the appearance of chocolate, the condition doesn't mean that the product has spoiled. A whitish appearance in chocolate is due to the cocoa butter that has separated out. At a temperature of about 85 degrees F., the cocoa butter in the chocolate melts and comes to the surface. When the cocoa butter hardens again, it turns white. To avoid the problem, keep chocolate refrigerated when the outside temperature warms.

**Buy Liver**  
Don't overlook liver when you're shopping for a highly nutritious and economical meat. One pound of liver yields 4 or 5 servings plus high vitamin and mineral content. University of Illinois nutritionists recommend that liver be used within two days after purchase because it is highly perishable.

**Two Windows Broken**  
An Urban, 4809 Kirkpatrick homes, reported at 10:10 p.m. Thursday that vandals broke two windows in her front room. Several rocks were thrown.

The service will operate from 7:30 a.m. to 5:30 p.m. Monday through Friday while classes are in session for the fall, winter and spring quarters, according to B. D. Hudgens, campus director of business services.

Shuttle service will originate from parking lot number 8, stop at various points on the outer drive en route to lot number 13, then proceed to the core area.

## 53 Madison Students In SIU Choral Clinic

Fifty-three vocal music students from Madison senior and junior high schools and the sixth grade class at Louis R. School took part Saturday at a high school choral clinic, given by the Department of Music at Southern Illinois University-Carbondale campus.

The local students were among 11 groups of young people and their choral directors from southern and central Illinois high school invited to participate in the clinic. The event was held at Muckelroy Auditorium in the university's Agricultural Building.

Guest conductor, Dallas Draper of Louisiana State University, directed the rehearsal performance, with Kathleen Warner serving as accompanist. Assisting with the clinic were members of the University Choir, Male Glee Club and University Brass Choir.

The program, presented at 4:15 p.m. Saturday, included such selections as: "Fanfare for Christmas," Heaton; "Der Abend Evening," Brannins; "Christmas Spiritual," Higgins, performed by the clinic chorus; "Camptown Races," arranged by Halloran, University Choir; "A Christmas Carol," Dello Joio; "Praise the Lord," Pratorius-Rosewell; "He Is Born, The Beloved Child," Butolph, Male Chorus; "Opening," Jackman-Kingsbury; "Back to Denmark," arranged by Halloran, University Male Glee Club; and "O Come All Ye Faithful," Burden, Chorus and Brass Choir.

Accompanying the Madison students were Mrs. Ruby Shoeder, Mrs. Mae Hendrickson and Mrs. Valerie Stevens, director of vocal music for Madison schools.

## Man Uses Socks In Attempted Hanging in Jail

Six charges face a 50-year-old Granite City man upon his release from the hospital after an apparent suicide attempt in a jail cell, following his arrest on gun and traffic accident counts.

Police first were summoned at 11:50 a.m. Saturday to the 2600 block of Madison on a hit-run accident call, and four minutes later received an urgent "domestic trouble" call in the 2400 block of Madison avenue. There they took into custody Wilbert Leon Allen, 50, of 2711 Nameoki road.

He was charged with failure to have a gun twice in 10 days for his 22 caliber pistol, unlawful use of a weapon and disorderly conduct. Witnesses said he flourished the gun.

Police also identified him as the driver of the hit-run vehicle which struck the rear of a southbound auto driven by Judith Rimmer, 2835 Edwards street. A passenger in the Rimmer car, Linda Witter, 20, of 2716 Saratoga avenue, sustained minor injury.

Allen was charged with following too closely, leaving the scene of an accident and driving with an expired driver's license.

At 1:15 p.m. Saturday, he was found hanging in his cell at the city jail and was cut down by officers. An ambulance rushed Allen to the hospital for emergency treatment. Police said he used his socks to form a make-shift rope.

## Employment Gain In 2-County Area

Employment in manufacturing grew by nearly 1700 workers in Madison and St. Clair counties between 1968 and 1969.

Harold R. Fischer, local banker and president of the Illinois Metro East Corp., who made the announcement Friday, noted that the increase is equal to the current employment of A. O. Smith or Hunter Packing, plus either a Carling Brewing or a Duncan Foundry. In 1968, according to the U.S. Bureau of the Census, 32,069 people were employed in manufacturing in the two-county area. The recent history of Manufacturers of the Illinois area shows that 33,725 industrial workers are now in this bi-county area. The additional 1697 employees is more than a 5% increase over 1968.

The Manufacturers' Directory was produced in cooperation with the Chambers of Commerce of Alton, Belleville, Edwardsville, East St. Louis, Edwardsville, Tri-Cities, and Wood River and copies can be secured from them.

## Conduct Charges Filed

Loretta A. Pokorney, 23, of Gillespie, and Janet L. Shelton, 23, of Litchfield, were charged with disorderly conduct at 5 p.m. Thursday when police were called to the Mearns pharmacy in the Tri-City building by the pharmacist on duty. The women were released on cash bail of \$100 each set by Magistrate William Johnson.

## GC Banker to Head McKendree Fund Drive

A Granite City banker and a Belleville lawyer will head a drive to collect \$200,000 in contribution for McKendree College during its fiscal year that ends next June 30.

Walter Ackermann, a member of the law firm Turner, Holder and Ackermann, will serve as chairman of a special fund-raising committee drawn from the McKendree Board of Trustees. Co-chairman will be Ernest A. Karandjeff, president of the Granite City Trust and Savings Bank. Both are McKendree Board members.

The appointments and the new goal came out of a McKendree luncheon meeting Thursday at Collinsville. The theme of the session at the Roundtable Restaurant were members of the Board's development committee and college administrative officials.

Charles Daily, president of Edgemont Bank and Trust Co., as well as chairman of the trustee committee, said the solicited funds will be used to meet college budgetary needs and to defray old bills.

Daily said the latest drive represents a portion of phase two of a ten-year "Decade of Progress" campaign extending through 1978, the 150th anniversary of the College. The ten-year plan, which started last fall, aims for \$15,000,000.

## SPEBSQSA Plans Paper Drive Next Saturday

The Mississippi Valley Chapter of S.P.E.B.S.Q.S.A. will conduct a paper drive on Saturday, Oct. 4.

This is one of the newest chapters in Illinois and is a part of the International Organization of the Society for the Preservation and Encouragement of Ballroom Show Quartet singing in America Inc. The paper drive was chosen as a fund-raising project.

Old papers will be picked up by contacting Joe Clebert at 877-2764 after 5 p.m. Any man who enjoys singing is invited to visit the chapter which meets each Monday at 8 p.m. at the Tee Pee, 724 West Main, Collinsville. It is for all ages, beginning at 18 years.

## Crackdown by Scott on Rigged State Bidding

Attorney General William J. Scott has ordered a government-wide crackdown against those who attempt to obtain state contracts and purchases through favoritism or rigged bidding procedures.

The far-reaching action applies to all state agencies and covers not only goods, services and property sold to the state, but all purchases by Illinois government which exceed \$100.

Scott put particular emphasis on bids for major public projects and highway construction. Specifically, he is notifying all state agencies that they are now required to report all identical bids for purchases or projects exceeding the \$100 figure as part of a new package of anti-trust laws drafted by Scott and passed by the last session of the Illinois legislature.
